

# ACRONYM 11 - Round 10

1. **June Squibb** voiced this woman in the 2015 TV mockumentary *7 Days in Hell*. **Peter Morgan** developed numerous works about this person, including the 2013 play *The Audience*. In a 2017 TV series, this person grows suspicious after finding a photo of **Galina Ulanova**, a Russian ballerina. This woman appears in the 2012 short film *Happy and Glorious*, in which she appears to (\*) jump from a helicopter. A TV series centered on this woman co-stars John Lithgow as Winston Churchill. Claire Foy appears in that series as, for 10 points, what subject of *The Crown*?

ANSWER: Queen **Elizabeth II** (or **Elizabeth II** of the United Kingdom; prompt on "Elizabeth") <Nelson>

2. In a handheld 3-on-3 basketball game, one of these items is ironically named "Angel" and causes a large explosion. In *Super Mario World*, this specific item allows Yoshi to fly. An XKCD comic named for these items implies that they cause the majority of the author's (\*) swearing. A recent game introduced the Super Horn, which can destroy these items. This item has wings in a certain Wii game, as well as in a game subtitled *Double Dash!!*. A race's leader is ruthlessly targeted by, for 10 points, what cruel item in the *Mario Kart* series?

ANSWER: **blue shells** (or **spiny shells** or **spiked shells** or similar; prompt on "shells" or "Koopa shells" or similar) <Nelson>

3. In a 2009 film, this actor played a greeting card writer who attends a party where his "Expectations" and "Reality" appear in split-screen. In 2012 this founder of the production company HitRecord played Joe, a time-traveling criminal forced to kill his (\*) older self. This actor directed and starred in a film about an Italian-American playboy titled *Don Jon*. Arthur, the right-hand man of Dom Cobb in *Inception* was played by this man. A 2016 biopic of Edward Snowden starred, for 10 points, what actor who romanced Zooey Deschanel in *500 Days of Summer*?

ANSWER: Joseph (Leonard) **Gordon-Levitt** (prompt on partial last names) <Vopava>

4. To honor **Charlie Gehringer**, the **Detroit Tigers** retired this jersey number, which the **Dodgers** retired for former manager **Tommy Lasorda**. The **Miami Marlins** have made the **MLB playoffs** this many times, and won the **World Series** in each instance. Until 2017, this was the only single-digit number *not* retired by the (\*) **Yankees**. The infield fly rule applies when there are *not* this many outs. **Ernie Banks** made a well-known quote about this many baseball games. In baseball scoring, the catcher is denoted by, for 10 points, what number of the base behind the pitcher's mound?

ANSWER: **2** <Nelson>

# ACRONYM 11 - Round 10

5. **One of this song's writers claims that having to read Stephen Vincent Benét's poem "The Mountain Whippoorwill" in high school partly inspired it. One fast-paced instrumental portion of this song comes after a set of references to folk songs like "Fire on the Mountain."** (\*) The title figure of this song jumps up "on a hickory stump" to talk to a boy named Johnny, with whom he is "lookin' for a soul to steal." For 10 points, name this song by the Charlie Daniels Band about a musical duel between an amateur fiddler and Satan.

ANSWER: The Devil Went Down to Georgia <Vopava>

6. **At the end of their first film appearance, these *two* characters wave goodbye to a robot who has achieved his dream of skiing. Peter Sallis, the voice of one of these characters, died in 2017. In another film, these characters fight an evil "cyber dog" named Preston and rescue a certain (\*) ovine. *A Matter of Loaf and Death* was the last film to star these characters, who are acquaintances of Shaun the Sheep and spend one film dealing with the "Curse of the Were-Rabbit."** Claymation is used to create, for 10 points, what animated inventor and his dog?

ANSWER: Wallace and Gromit (accept answers in either order; prompt on partial answers)  
<Vopava>

7. **While shopping to replace an apple, this show's protagonist witnesses a woman being shot by a neo-Nazi. That protagonist of this show reads part of *To Kill a Mockingbird* to Evan Gallico, a boy who strongly resembles his deceased brother. Joo Won starred in the Korean series upon which this show is based. At the start of this series, its protagonist aids in (\*) saving a boy's life, proving his worth to a San Jose hospital. Freddie Highmore plays the title autistic savant Shaun Murphy in, for 10 points, what CBS medical drama?**

ANSWER: The Good Doctor <Nelson>

8. **In summer 2017, photos of this NBA player staying hydrated became an inexplicable meme. In 2017, this player became the second non-guard to win the NBA All-Star Weekend's Skills Challenge. Though he isn't from Spain, this player has been a teammate of Willy Hernangomez on both his current team and with the Spanish club (\*) CB Sevilla. Due to his unique size and skillset, Kevin Durant dubbed this player the "unicorn." For 10 points, name this 7'3" Latvian center with the New York Knicks sometimes known by his initials, "KP."**

ANSWER: Kristaps Porziņģis [KRIS-tahps por-ZIN-giss] <Nelson>

## ACRONYM 11 - Round 10

9. **The traditional Swiss dish Älplermagronen bears a strong similarity to this food. On an episode of *Friends*, Joey briefly stars alongside a robot in a cop show named for this food item. In 2015, a University of Connecticut student was arrested for furiously berating a (\*) cafeteria worker over a lack of this food, whose ubiquity in America is often credited to Thomas Jefferson. This food is exceedingly popular in Canada, where it is often known as "KD." Stouffer's and Boston Market sell frozen varieties of, for 10 points, what dish boxed by Kraft?**  
ANSWER: **macaroni and cheese** (or **mac and cheese** or other reasonable equivalents; accept **Kraft dinner**; prompt on partial or vague answers) <Nelson>

10. **In a *Chappelle's Show* sketch, this musician once helped prove that guitar playing will make white people dance. This artist's first hit discusses a woman who "condescendingly" tells him, "Welcome to the real world" before he admits, "I want to run through the halls of (\*) my high school." This artist behind "No Such Thing" vows that "one day this generation / Is going to rule the population" in a hit from his 2005 album *Continuum*. "Waiting on the World to Change" is by, for 10 points, what guitarist and singer of "Your Body Is a Wonderland?"**  
ANSWER: John (Clayton) **Mayer** <Vopava>

11. **An umbrella is ingeniously used during one of these events in the French film *Rififi*. Benicio del Toro plays Frankie Four-Fingers, a participant in one of these events that appears in a 2000 film in which Irish boxer Mickey O'Neill's incomprehensible dialogue had to be subtitled. (\*) *Snatch* charts the aftermath of this type of crime, as does *A Fish Called Wanda* and a 1992 Quentin Tarantino film in which this crime gets everybody killed *except* for Mr. Pink. For 10 points, name this type of coordinated crime central to *Reservoir Dogs*.**  
ANSWER: **heist** (accept **robbery**; prompt on "theft"; accept answers mentioning **diamonds** or **gems** or **jewels** as the target of the **heist** or **robbery**, but do not accept answers identifying other types of heists) <Vopava>

12. **This character was crucially unable to perform CPR during an event that led to the ascendance of Kendra Young. In one TV series, this character ran a detective agency with help from Charles Gunn and Fred Birkle. This character, whose blood awakens (\*) Acathla [uh-KATH-luh], was cursed with a soul by a Romani clan in 1898. Upon losing that soul, this man was reunited with Drusilla and Spike. David Boreanaz [bore-ee-AN-iz] played, for 10 points, what good-hearted and divinely-named vampire, an early love interest of Buffy on *Buffy the Vampire Slayer*?**  
ANSWER: **Angel** (accept **Angelus**) <Vopava>

# ACRONYM 11 - Round 10

13. While at Rolling Loud Festival, Rich Brian surprised this artist with a mariachi band. This artist raps "like I'm cash out, eat at Pappadeaux's" in a song whose refrain mentions "counting bands, hallelujah". This Dallas-based rapper of "Too Young" and (\*) "Candy Paint" compared himself to a former 76ers great in his debut single "White Iverson." This man claimed he was "poppin' pillies" and feels like the title figure in a #1 hit featuring 21 Savage. For 10 points, name this rapper behind the songs "Congratulations" and "Rockstar".

ANSWER: Post Malone (or Austin Richard Post) <Golden>

14. This author's own favorite story charts the slow demise of the Gardner family at the hands of a being that hides in their well. "The Hound" is the first work by this author to mention a rare book written by Abdul Alhazred, who is invariably called "the mad (\*) Arab." This author of "The Colour Out of Space" described an Antarctic encounter with a shoggoth [SHOG-oth] in *At the Mountains of Madness*. The *Necronomicon* [NECK-roh-NOM-uh-con] and Miskatonic University recur in the tales of, for 10 points, what American horror author who created a "mythos" surrounding Cthulhu [k'thool-hoo]?

ANSWER: H. P. Lovecraft (or Howard Philips Lovecraft) <Vopava>

15. An apprentice to this type of athlete is known as a "bug boy." Russell Baze holds the North American record for wins by this type of athlete, a record that was once held by Bill Shoemaker. Several middle eastern countries have replaced athletes of this type with (\*) robots. Outfits worn by these athletes are known as "silks." One of these athletes named Victor Espinoza won a series of events in 2015 that had not been won by the same person since 1977. 126 pounds is the maximum weight of, for 10 points, what athletes competing in the Kentucky Derby?

ANSWER: (horse racing) jockeys <Nelson>

16. In a show that takes place in this decade, Cameron turns down an opportunity to sell her company Mutiny to Westgroup. A period drama set in this decade depicts a couple played by Matthew Rhys and Keri Russell who are secretly (\*) spies. Patton Oswalt narrates a show set in this decade about the siblings Erica, Barry, and Adam. A show about a startup tech company titled *Halt and Catch Fire* begins in this decade, as does the ABC sitcom *The Goldbergs*. For 10 points, name this decade in which the Challenger disaster was broadcast live.

ANSWER: 1980s (prompt on "80s") <Golden>

## ACRONYM 11 - Round 10

17. **This singer utters a phrase meaning "Rich daddy, I need you" in a song from the *Fate of the Furious* soundtrack. "Do you care?" and "Why did you leave me here to burn?" are among the inquiries posed in this woman's single "I Have Questions." This singer sang with Shawn Mendes on the song (\*) "I Know What You Did Last Summer" and alluded to a man who "took me back to east Atlanta" despite her heart being elsewhere in a 2017 single that reflects her Cuban heritage. For 10 points, name this singer of "Havana" and former member of Fifth Harmony.**

ANSWER: Camila Cabello [kuh-MEE-luh kuh-BAY-yoh] (or Karla Camila Cabello Estrabao) <Nelson>

18. **Steve Ritchie, the guy who shouted "Finish Him" in *Mortal Kombat*, is better known for his work in this activity. An adaptation of Humpty Dumpty introduced a major innovation to this activity, leading to dominance by the manufacturer Gottlieb. The best-selling item related to this activity is based on the Addams (\*) Family. Most devices used in this activity include rubber pads called kickers that deflect a certain object. The title character of The Who's *Tommy* is a "wizard" at, for 10 points, what activity in which a sphere is hit with flippers?**

ANSWER: pinball <Nelson>

19. **One character in this movie says he thinks "that's a start" when sees a dead deer on the side of a road, claiming they are "destroying the ecosystem." This film contains an educational video titled *Behold the Coagula*. At the end of this film, a police car is revealed to be driven by Rod, a boisterous (\*) TSA agent. After curiously receiving award nominations as a comedy, this film's creator called it a "documentary." Jordan Peele directed, for 10 points, what 2017 horror film about a black man who meets the parents of his white girlfriend?**

ANSWER: Get Out <Golden>

20. **This NFL team owns a trademark to the phrase "Just win, baby." A quarterback for this team threw a Super Bowl record five interceptions during Super Bowl XXXVII [37], which was won by the Buccaneers. In 2017 this team added former Bills quarterback EJ (\*) Manuel and an outspoken former Seahawks running back. One end zone at this team's home stadium is known as the "black hole," a tradition that will likely continue after this team relocates. Las Vegas is the future home of, for 10 points, what team that employs Marshawn Lynch and Derek Carr?**

ANSWER: Oakland Raiders (accept either) <Nelson>

# ACRONYM 11 - Round 10

1. It was 2014! We had to mention Japanese cities in our songs! We had to! For 10 points each:  
[10] Featured artist Jess Glynne describes jet-setting from "Kyoto to the Bay / Strolling so casually" and promises, "If you gave me a chance I would take it" in this Clean Bandit song that boasts a jaunty violin intro.

ANSWER: **Rather Be**

[10] Iggy Azalea raps about her lavish life in this 2014 hit that claims she's "in the fast lane / From L.A. to Tokyo."

ANSWER: **Fancy**

[10] "Arrival in Nara," "Nara," and "Leaving Nara" are three longing, melancholy tracks from *This Is All Yours*, the second album by this English indie band behind "Tessellate" and "Left Hand Free."

ANSWER: **alt-J** (accept **Alt-J**) <Vopava>

2. For some reason, this team co-opted the Red Wings' octopus-throwing tradition, replacing the object thrown to the ice with a catfish. For 10 points each:

[10] Name this NHL team based in a southern city who made an inspiring run to the 2017 Stanley Cup Finals. This team's logo depicts a saber-toothed beast.

ANSWER: **Nashville Predators** (accept either underlined portion)

[10] Prior to the 2016-17 season, the Predators acquired this player from the Canadiens, who is one of the league's few star black players and among the game's top defensemen.

ANSWER: P. K. **Subban** (or Pernell-Karl Sylvester **Subban**)

[10] In the mid 1990s, Nashville was rumored to become the new home of this franchise, which ultimately restructured and remained in New Jersey.

ANSWER: New Jersey **Devils** <Nelson>

3. In this book, the protagonist's sister Mary runs away to Montana and dies when her trailer catches fire. For 10 points each:

[10] Name this young-adult novel in which Arnold Spirit Jr. experiences culture shock when he transfers to the predominantly white Reardan High School.

ANSWER: The **Absolutely True Diary of a Part-Time Indian**

[10] *The Absolutely True Diary of a Part-Time Indian* was written by this Native American author who adapted his story collection *The Lone Ranger and Tonto Fistfight in Heaven* into the film *Smoke Signals*.

ANSWER: Sherman **Alexie** (or Sherman Joseph **Alexie**, Jr.)

[10] Much of *The Lone Ranger and Tonto Fistfight in Heaven* centers on a character with this first name. This is the first name of the title scientist of a Mary Shelley novel.

ANSWER: **Victor** (accept **Victor** Joseph or **Victor** Frankenstein) <Golden>

# ACRONYM 11 - Round 10

4. For 10 points each, answer the following about Daenerys Targaryen's [deh-NAIR-iss tar-"GARY"-in's] love interests on *Game of Thrones*:

[10] Unaware that such a relationship is incestuous, Daenerys falls in love with this bastard character played by Kit Harington in season seven.

ANSWER: **Jon Snow** (accept **Aegon Targaryen**; prompt on "Snow" or "Targaryen")

[10] Daenerys takes this man as her lover shortly after he helps her conquer Meereen. For no real reason, Michiel Huisman [MEE-heel HOOSE-min] replaced Ed Skrein ["screen"] in this role from season four onward.

ANSWER: **Daario Naharis** (DAR-ee-oh nah-HAR-iss) (accept either underlined portion)

[10] Xaro [ZAR-oh], who proposes to Daenerys multiple times, is sealed in his own vault by Daenerys after he plots to kill her with the help of Pyat Pree, one of these male magic users.

ANSWER: **warlocks** (accept **warlocks** of Qarth) <Vopava>

5. For 10 points each, answer the following about the most watched videos on YouTube that *aren't* music videos:

[10] One such video is the user LittleBabyBum's 3D animation of this song, about a vehicle whose title objects "go round and round."

ANSWER: **Wheels on the Bus**

[10] Another non-music video to garner an enormous view count is a 2007 clip of a toddler complaining that his baby brother took this specific action.

ANSWER: he **bit** his **finger** (accept **Charlie bit my finger!** or other descriptive equivalents)

[10] Two of the four most-watched non-music videos are episodes of this Russian animated TV series about a girl who lives in a forest with a certain creature. Its episode "Recipe for Disaster" has over 2 billion views.

ANSWER: **Masha and the Bear** (or **Masha i Medved**) <Nelson>

6. Rozonda "Chilli" Thomas sways on a giant silver swing in the music video to this song. For 10 points each:

[10] Name this song titled for a type of person who "thinks he's fly/And is also known as a busta" and is "a guy that can't get no love from me."

ANSWER: **No Scrubs**

[10] "No Scrubs" was recorded by this female R&B group, who advised "stick to the rivers and the lakes that you're used to" in the song "Waterfalls." Their members included Lisa "Left-Eye" Lopes.

ANSWER: **TLC**

[10] The title of TLC's 1994 album groups this adjective with "Sexy" and "Cool." In a 2006 song by Gnarls Barkley with this title, Cee-Lo Green sings "I remember when I lost my mind".

ANSWER: **Crazy** (accept **CrazySexyCool**) <Golden>

# ACRONYM 11 - Round 10

7. When the cosmically talentless Uwe Boll [OOV-uh "bowl"] said he wanted to direct this film, Blizzard Entertainment told him, "We will not sell the movie rights, not to you...especially not to you." For 10 points each:

[10] Name this 2016 movie about the impossibly courageous knight Anduin Lothar.

ANSWER: **Warcraft** (accept **Warcraft: the Beginning**)

[10] Just like the original game, *Warcraft* depicts the bitter rivalry between these two races of beings.

ANSWER: **orcs** and **humans** (accept answers in either order)

[10] *Warcraft* surpassed this 2010 film about a street urchin who finds a magic dagger as the highest grossing movie of all time to be based on a video game.

ANSWER: **Prince of Persia**: The Sands of Time <Vopava>

8. In its review of this show's excellent final season, *The New York Times* said that it "died as it lived: surrounded by angry blog posts." For 10 points each:

[10] Name this HBO comedy-drama series whose protagonist, Hannah Horvath, suffers from obsessive compulsive disorder and becomes pregnant in the show's final season.

ANSWER: **Girls**

[10] *Girls* was created by this actress and writer who starred as the aforementioned Hannah.

ANSWER: Lena **Dunham**

[10] *Girls* also focuses on the lives of Hannah's three female best friends, who all have alliterative names. Name any of them; only the first name is required.

ANSWER: **Marnie** (Marie) Michaels, **Jessa** Johansson, or **Shoshanna** Shapiro (accept any underlined portion; prompt on last names) <Vopava>

9. For 10 points each, answer the following about the career of Argentinian film composer Lalo Schifrin:

[10] Schifrin is best known for creating the iconic theme to this TV and film spy series, which has starred Tom Cruise as Ethan Hunt in films like "Rogue Nation" and "Ghost Protocol."

ANSWER: **Mission: Impossible**

[10] *Enter the Dragon*, the first Hollywood-produced martial arts film, also featured music by Schifrin. The film starred this Hong Kong-based actor, who died just days before the film's premiere.

ANSWER: Bruce **Lee** (or **Lee** Jun-fan)

[10] Schifrin has worked numerous times with Clint Eastwood, including on several films about this Eastwood character, a police officer who uses questionable and often violent tactics.

ANSWER: **Dirty Harry** (or Harry **Callahan**)

# ACRONYM 11 - Round 10

10. For 10 points each, answer the following about the 2018 inductees to the Baseball Hall of Fame:

[10] Chipper Jones, the highest vote-getter in the 2018 class, is one of the most successful players to have this batting skill. Batters with this skill are, at least theoretically, difficult matchups for both left- and right-handed pitchers.

ANSWER: **switch hitter** (accept reasonable equivalents describing the ability to **hit from both sides** of the plate)

[10] Another inductee was San Diego Padres great Trevor Hoffman, who is one of the most successful pitchers of this type in history.

ANSWER: **closing** pitcher (or **closer**)

[10] This excellent right-fielder, who had an uncanny ability to hit virtually any pitch, including ones in the dirt, was elected in his second year of eligibility.

ANSWER: Vladimir (Alvino) **Guerrero** <Nelson>

11. The title character of this show creates a bad public-access show to try to one-up his sister, the popular talk show host Dr. Wendi Park. For 10 points each:

[10] Name this short-lived ABC sitcom about a Korean-American physician who works for Welltopia Medical Group.

ANSWER: **Dr. Ken**

[10] *Dr. Ken* starred this man, who actually *was* a doctor before becoming an actor.

ANSWER: Ken **Jeong** (or Kendrick Kang-Joh **Jeong**)

[10] *Dr. Ken* featured numerous guest stars, including Danny Pudi, Jim Rash, and Yvette Nicole Brown, who co-starred with Ken Jeong on this comedy series, on which Jeong played a Spanish teacher.

ANSWER: **Community** <Vopava>

12. After CERN's ATLAS experiment discovered the Higgs boson in 2012, the results were horrifyingly presented in this font. For 10 points each:

[10] Name this font. It's probably the single most hated typeface in the world.

ANSWER: **Comic Sans**

[10] In this fourth-wall-breaking 2015 indie RPG, Comic Sans is exclusively used to render the dialogue of Sans, a comical skeleton who becomes more ominous and threatening as this game progresses.

ANSWER: **Undertale**

[10] Likewise, Sans's older brother in *Undertale* is named for, and has *his* dialog rendered in, this other font, which was preposterously used by the film *Avatar*.

ANSWER: **Papyrus** <Vopava>

# ACRONYM 11 - Round 10

13. For 10 points each, name these legendary sports broadcasters:

[10] This hall of fame football coach and broadcaster traveled in an iconic bus due to his fear of flying. Many of his years in the booth were alongside Pat Summerall.

ANSWER: John **Madden**

[10] Through 2016, NBC's Olympics coverage was headed by this man, who was sidelined during the Sochi Olympics after contracting pink eye.

ANSWER: Bob **Costas** (or Robert Quinlan **Costas**)

[10] Costas ceded the Olympic coverage role to this African American broadcaster, who called NBA games for ESPN and occasionally fills in for Al Michaels on NBC's football coverage.

ANSWER: Mike **Tirico** [tih-REE-koh] (or Michael Todd **Tirico**) <Nelson>

14. For 10 points each, name these films whose scripts were doctored by Carrie Fisher:

[10] Fisher's first gig doctoring a script was for this 1991 Steven Spielberg film, for which Fisher rewrote much of Julia Roberts's dialogue as Tinkerbell.

ANSWER: **Hook**

[10] Fisher wrote herself a role as Bianca Burnette, a former actress who is constantly mistaken for Carrie Fisher, while script-doctoring the third film in this horror-comedy franchise starring Neve Campbell and David Arquette.

ANSWER: **Scream** (accept **Scream 3**)

[10] One of Fisher's last rewriting gigs was on this 2005 action comedy about married spies who are unwittingly assigned each other as a target.

ANSWER: **Mr. and Mrs. Smith** <Vopava>

15. A vocal shout at the beginning of this song is ostensibly meant to evoke the wail of a barbarian. For 10 points each:

[10] Name this 1970 rock song, whose singer claims "We come from the land of the ice and snow."

ANSWER: **Immigrant Song**

[10] This band's third self-titled album begins with "Immigrant Song." Their follow-up album, which is officially untitled, includes the song "Stairway to Heaven."

ANSWER: **Led Zeppelin** (prompt on abbreviated or partial answers)

[10] A cover of "Immigrant Song" on the soundtrack to *The Girl With the Dragon Tattoo* was recorded by Trent Reznor of Nine Inch Nails and Karen O, the frontwoman of this repetitively named indie rock band behind the song "Maps."

ANSWER: The **Yeah Yeah Yeahs** <Nelson>

# ACRONYM 11 - Round 10

16. For 10 points each, answer the following about pylons:

[10] The pylons placed in each corner of a professional football field's end zones are pretty much always this color.

ANSWER: **orange**

[10] The amusing phrase "You must construct additional pylons" is sometimes screamed at the player when playing as this alien race in the *StarCraft* game series, in which this race is dependent on pylons for construction.

ANSWER: **Protoss**

[10] The 1958 Rock Hudson film *The Tarnished Angels* is based on *Pylon*, one of the few novels by this American author that doesn't take place in a fictional county whose largest city is Jefferson.

ANSWER: William (Cuthbert) **Faulkner** <Nelson>

17. This college made its first ever Final Four appearance in 2017, a year that marked its 19th straight appearance in the tournament. For 10 points each:

[10] Name this college based in Spokane, Washington. Its alumni include Kelly Olynyk and Zach Collins.

ANSWER: **Gonzaga** University (or **Gonzaga** Bulldogs; prompt on "Bulldogs")

[10] Gonzaga reached the 2017 title game by defeating this SEC school, which was also making its first Final Four appearance and had not appeared in the tournament at all since 2004. This school's nickname is the Gamecocks.

ANSWER: University of **South Carolina** (accept **Gamecocks**)

[10] The 2016-17 Gonzaga team was without former star Domantas Sabonis, who left for the NBA. Sabonis's father Arvydas may be the greatest player from this former Soviet republic.

ANSWER: **Lithuania** (or Republic of **Lithuania**) <Nelson>

18. This man was said to be "born on a mountaintop in Tennessee, the greenest state in the Land of the Free." For 10 points each:

[10] Name this historical figure, who was the hero of a 1954 miniseries that became one of TV's first big hits. The series did not depict this man's eventual election to congress.

ANSWER: Davy **Crockett** (prompt on "Davy")

[10] The *Davy Crockett* miniseries sparked a huge fashion craze over this article of clothing. According to its star Fess Parker, the frenzy over this thing was "bigger than anything, ever."

ANSWER: **coonskin** cap (accept answers identifying a hat made from **raccoon** skin)

[10] The show's theme song, "The Ballad of Davy Crockett," claims that Crockett "lived in the woods so's he knew every tree" and "killed him" one of these animals "when he was only three."

ANSWER: a **bear** (or a **b'ar**) <Vopava>

## ACRONYM 11 - Round 10

19. This song's line "The waitress is practicing politics" refers to the singer's first wife Elizabeth Weber. For 10 points each:

[10] Name this song whose title character is asked by people at a bar to "sing us a song tonight" because "you've got us feeling all right."

ANSWER: **Piano Man**

[10] Billy Joel's song "Piano Man" takes place "at nine o'clock on" this day of the week. The Bee Gees song "Stayin' Alive" was written for a film titled for this day's "Night Fever."

ANSWER: **Saturday**

[10] Joel referenced "Piano Man" in this other hit song, in which the title figure states "I know just where I stand." This song shares its name with a Scott Joplin ragtime hit.

ANSWER: The **Entertainer** <Golden>

20. A fact you're about to wish you hadn't learned is that a scene in this film in which a character eats a live octopus whole used no CGI whatsoever. For 10 points each:

[10] Name this disturbing 2003 South Korean film about Oh Dae-Su, a man seeking vengeance on his captor after being trapped in a hotel room for 15 years.

ANSWER: **Oldboy**

[10] A 2013 remake of *Oldboy* was directed by this man, who depicted racial tensions in his films *Do the Right Thing* and *Malcolm X*.

ANSWER: Spike **Lee** (or Sheldon Jackson **Lee**)

[10] Spike Lee's remake of *Oldboy* stars Elizabeth, an actress with this surname, as the nurse Marie. Elizabeth's twin sisters, who also have this surname, played a character on *Full House*.

ANSWER: **Olsen** <Golden>
