

ACRONYM 11 - Round 8

1. **Kyle Schwarber tore his ACL in 2016 on a play of this type by Jean Segura. Alcides Escobar performed this action in his team's first at bat of the 2015 World Series. A unique one of these actions by Roberto Clemente occurred with the bases loaded *and* in walk-off fashion. This type of play is scored differently if a (*) defensive error occurs.** In 2017, one of these plays by Byron Buxton took just 13.85 seconds after he hit a ball over A.J. Pollock's head. For 10 points, name this type of four-base hit in which the ball remains in play.

ANSWER: **inside-the-park home runs** (or **in the park home runs** or similar; prompt on "home run") <Nelson>

2. **As a child, this character used the mnemonic 'CALM' to control her anger, in which the 'C' stands for "cheese." A love interest of this character creates a graphic novel depicting their hypothetical life together. This woman becomes ordained to officiate the wedding of her parents, one of whom works with this woman on the (*) telenovela *The Passion of Santos*.** During a routine checkup, this Venezuelan girl's doctor makes a profound mistake that results in her seemingly impossible pregnancy. Gina Rodriguez plays, for 10 points, what TV "virgin"?

ANSWER: **Jane** (Gloriana) Villanueva (accept **Jane** the Virgin; prompt on "Villanueva") <Nelson>

3. **The 1983 film *Blue Thunder* is titled for one of these objects. During the making of a film version of *The Twilight Zone*, a falling one of these things killed Vic Morrow and two child actors. A 2001 Ridley Scott film concerns the destruction of one of these objects during the (*) Battle of Mogadishu.** The actions of several of these vehicles are set to Richard Wagner's "Ride of the Valkyries" in an iconic scene from *Apocalypse Now*. Jurassic Park is reached by riding in, for 10 points, what vehicle that crashes in the film *Black Hawk Down*?

ANSWER: **helicopters** <Nelson>

4. **The members of this band claim that its name is a deliberate anagram of a phrase they choose not to specify. Music videos by this band include one in which its singer boxes against Dolph Lundgren and another featuring Lou Diamond Phillips as the head of a (*) puppet fighting ring.** In a 2017 song by this band, vocalist Dan Reynolds describes a "young gun with a quick fuse" and implores the listener to "feel" the title phenomenon, which he pairs with lightning. For 10 points, name this band behind "Thunder" and "Radioactive."

ANSWER: **Imagine Dragons** <Golden>

ACRONYM 11 - Round 8

5. A 2014 match fixing scandal led to the team iBuyPower being banned from this game. Flying Scoutsman and Stab Stab Zap are among the options in this game's "War Games" mode. In October 2017, this game debuted an overhaul of the map (*) Dust II. A modification for this game called Dragon Lore costs over 4,000 real-world dollars thanks to this game's insane skin gambling economy. A bomb or a group of hostages are central to games of, for 10 points, what team-based shooter published by Valve that pits terrorists against their counterparts?

ANSWER: CounterStrike: Global Offensive (or CS:GO ["C S Go" or siss-goh]; prompt on "CounterStrike") <Nelson>

6. In a 1960s cartoon series, two non-humans named Newton and Tewt frequently aided this character. In a short-lived Canadian-produced series, a "Young" version of this person was improbably played by Ryan Gosling. The most popular TV series about this character starred Kevin (*) Sorbo and was subtitled "The Legendary Journeys." French Stewart voiced Icarus in a TV series based on a Disney film about this character. *Xena: Warrior Princess* was a spin-off of a fantasy TV series about, for 10 points, what muscle-bound Greek hero?

ANSWER: Hercules (or Heracles; accept The Mighty Hercules or Young Hercules or Hercules: the Legendary Journeys) <Vopava>

7. In the mid-1990s, this basketball player formed a namesake team of "All Stars" that toured Australia. After retiring, this player lent his name to a line of movie theaters. This player was the only rookie to be named NBA Finals MVP, doing so a year after he won the equivalent award in the 1979 Final Four with (*) Michigan State. The fast-paced play of this longtime rival of Larry Bird led to his teams earning the nickname "showtime." Earvin is the real first name of, for 10 points, what L.A. Lakers great who first retired due to an HIV diagnosis?

ANSWER: Magic Johnson (or Earvin Johnson Jr.; prompt on "Magic") <Nelson>

8. Recurring characters in this film series include the British-accented Mason, whose companion Phil speaks in sign language. The antagonistic Chantel Dubois is shot with a tranquilizer dart in the third film in this series. The feet-loving (*) Mort appears in this series, whose antagonists include the predatory fossa [FOOH-sah]. In the end credits to the first film in this series, its characters dance to "I Like to Move It," including Marty and Alex, who are a zebra and lion, respectively. For 10 points, name this film series whose King Julien is a lemur.

ANSWER: Madagascar (accept Madagascar: Escape 2 Africa or Madagascar 3: Europe's Most Wanted) <Golden>

ACRONYM 11 - Round 8

9. **The singer of this song joked, "It's 2017, there's only seven notes in music" after The Script considered a lawsuit over this song's similarities to "The Man Who Can't Be Moved." This lead single from the album *Back from the Edge* discusses loving you "till my lungs give out" and living "with you / Even when (*) we're ghosts." This song begins by describing a time "I held your hair back when you were throwing up." The singer wants to "stay with you 'til we're gray and old" in, for 10 points, what acoustic pop song by James Arthur?**

ANSWER: Say You Won't Let Go <Vopava>

10. **As part of a 1980s anti-tobacco campaign, this character's pipe was ceremonially given to the U.S. Surgeon General. George Lerner created this character, which originally used pieces of felt. This character serves as a host for the board games within the (*) Hasbro Family Game Night video game series. In a film series, this character is sometimes presented as the villainous One-Eyed Bart and was voiced by the late Don Rickles. The Transformers-based "Optimash Prime" is one of many variants on, for 10 points, what customizable toy vegetable?**

ANSWER: Mr. Potato Head <Nelson>

11. **One episode of this series depicts a society in which people are executed for reaching too many downvotes. A character in this series wakes to find one of his legs missing after an ill-advised attempt to teach practical jokes to Isaac, a humanoid (*) robot. The central figure of this series, Ed Mercer, is first seen discovering his wife's affair, and is later unwittingly paired with that ex-wife, played by Adrienne Palicki, as his first officer. For 10 points, name this series heavily inspired by *Star Trek*, starring and created by Seth MacFarlane.**

ANSWER: The Orville <Nelson>

12. **The Championship-level Derby County FC uses this animal as its mascot. In 2010, Shaka Smart led a team with this nickname to the Final Four. Rhode Island and Colorado State's athletic teams have this nickname, as does the aforementioned VCU. An NFL team with this name is owned by Stan (*) Kroenke, who failed to secure a replacement for the Edward Jones Dome. That team with this name employs running back Todd Gurley. Jared Goff leads the NFL team with, for 10 points, what nickname, which it kept after moving to L.A. from St. Louis?**

ANSWER: Rams (accept answers that affix Rams to a mentioned school or city) <Nelson>

ACRONYM 11 - Round 8

13. A jazz standard that claims "we lived a little drama" is titled for how "Stars Fell on" this U.S. state. This state is the first of two states named in "Home" by Edward Sharpe and the Magnetic Zeros. Along with "Werewolves of London," a classic rock song about this state is sampled and mentioned in Kid Rock's (*) "All Summer Long"; that song pokes fun at Neil Young and glorifies this state's segregationist governor George Wallace. Brittany Howard fronts the "Shakes" of, for 10 points, what U.S. state that Lynyrd Skynyrd called "Sweet Home"?
ANSWER: Alabama (accept Sweet Home Alabama or Alabama Shakes) <Vopava>

14. This actor played the father of an autistic boy who steals rocks supernaturally tied to demons in the 2016 film *The Darkness*. This actor plays the title character of a 2017 Amazon series in which a failing artist is infatuated with him. In a 1984 film, this actor played Ren MacCormack, a new resident of a small town where he (*) runs afoul of a local minister. The Fox show *The Following* and the original version of *Footloose* starred, for 10 points, what actor whose ubiquity led to a game named for determining "Six Degrees" of him?
ANSWER: Kevin (Norwood) Bacon <Nelson>

15. Within one year, this actor appeared as Doc Holliday on *three* different ABC westerns. Lisa, Bart, and Homer meet this actor in a guest appearance on *The Simpsons*, where he asks why his most famous character "doesn't dance anymore" and boasts, "I didn't need molded plastic to (*) improve my physique." Another animated version of this actor married Carol Pewterschmidt and incompetently governed the city of Quahog [KOH-hog]. The Mayor on *Family Guy* was, for 10 points, what actor who starred in the campy 1960s *Batman* TV series?
ANSWER: Adam West (or William West Anderson) <Vopava>

16. Jock-minded NPCs in this game series sometimes refer to the brain as "the Brian" and, if suspected of crying, may say, "I'm just sweating through my eyes." Recurring characters in this game series include the hippie-minded musician K. K. (*) Slider and a mole who delays the player's progress by berating them for minutes on end if they turn off the game without saving. Mr. Resetti and the predatory lender Tom Nook appear in, for 10 points, what cute Nintendo life sim series with titles like *City Folk*, *New Leaf*, and 2017's *Pocket Camp*?
ANSWER: Animal Crossing <Vopava>

ACRONYM 11 - Round 8

17. **In his rookie season, this football player was a reluctant backup to Chris Miller and was highly disliked by his coach Doug Glanville. This player earned the AP's NFL MVP award in 1995, the first of a record-tying three consecutive wins. The cover of *Madden NFL* (*) 10 had to be changed after this alum of Southern Mississippi came out of retirement to play a single year with the Jets. This man's 336 career interceptions are an NFL record, as are his 297 consecutive starts. For 10 points, name this longtime quarterback for the Green Bay Packers.**
ANSWER: Brett (Lorenzo) **Favre** [fahrv] <Nelson>

18. **In one song, a member of this group claims "The sheriff's after me for what I did to his daughter" and rides a horse named Paul Revere. The members of this group organized the Tibetan Freedom Concert. The song "Hey Ladies" appears on this group's sample-heavy album (*) *Paul's Boutique*. This group parodied TV cop shows in the video for a song that claims "I can't stand it, I know you planned it" and insists "listen, all y'all, it's" the title action. The late MCA was a member of, for 10 points, what trio behind "Intergalactic" and "Sabotage"?**
ANSWER: **Beastie Boys** <Golden>

19. **One of these animals possesses the hat a bear is searching for in Jon Klassen's book *I Want My Hat Back*. Kate DiCamillo wrote about the "Miraculous Journey" of one of these creatures named Edward Tulane. A fairy turns a stuffed one of these animals to life in a Margery Williams book. Deborah and James Howe created a (*) vampiric one of these animals who sucks juice out of vegetables. The Dutch kids' book character Miffy is one of these. Beatrix Potter wrote about Mr. McGregor's garden being tormented by, for 10 points, what type of animal named Peter?**
ANSWER: **rabbits** (or **bunnies**; accept Velveteen **Rabbit** or **Bunnicula** or Peter **Rabbit**) <Golden>

20. **A black and white version of this film was briefly released in May 2017 as its "Noir version." This film's protagonists are ambushed in the home of a black farming family, whose patriarch dies after hitting a clone of the protagonist with his truck. A 90-year-old character in this film has (*) seizures that cripple those around him. Dafne Keen made her acting debut in this film as Laura, a former test subject who escapes to Canada with the help of the title mutant. For 10 points, name this 2017 film starring Hugh Jackman as an aged Wolverine.**
ANSWER: **Logan** <Nelson>

ACRONYM 11 - Round 8

1. This song opens with the line "2 plus 2 is 4, minus 1 that's 3 quick maths". For 10 points each:
[10] Name this rap song released by the comedian Michael Dapaah under the name Big Shaq. Its original version includes many gibberish lines like "the ting goes skraa".

ANSWER: **Mans Not Hot**

[10] Dapaah is from this country, whose "grime" form of hip hop was popularized by artists such as Dizzee Rascal and Wiley.

ANSWER: **United Kingdom** (or **U.K.**; or Great **Britain**; or **England**)

[10] "Mans Not Hot" originated as this type of rap, whose lyrics are improvised in real time. Rap battles are essentially a form of this practice.

ANSWER: **freestyle** (or **freestyling**) <Golden>

2. A can of this drink contains only 70 calories and has 170% of a daily dose of vitamin C, but it also contains a horrifying 900 milligrams of sodium. For 10 points each:

[10] Name this juice drink. In a series of TV ads, stupid people are bonked on the head and told "You could've had" one of these beverages.

ANSWER: **V8**

[10] V8 is made by this American food company known for its red-and-white labels and indelible connection to Andy Warhol.

ANSWER: **Campbell** Soup Company (or **Campbell's** Soup)

[10] V8 is mostly made from the juice of tomatoes, carrots, and celery, but contains a total of eight vegetables. Name *any* of the other five vegetables it contains.

ANSWER: **beets**, **parsley**, **lettuce**, **watercress**, **spinach** (accept any answer) <Vopava>

3. For 10 points each, answer the following about athletes named Chris Davis:

[10] There are currently two Chris Davises in Major League Baseball; the older of the two led the majors in home runs in 2013 and 2015 as a member of this team that also features Manny Machado and plays in Camden Yards.

ANSWER: **Baltimore Orioles** (accept either)

[10] The other major leaguer, who spells his name with a "K" and not a "C," began his career with this NL Central team, for whom he played left field during Ryan Braun's suspension for drug use.

ANSWER: **Milwaukee Brewers** (accept either)

[10] A football player named Chris Davis had a brief NFL career but is best known for returning the "Kick Six" to win the 2013 Iron Bowl while playing for this fierce rival of Alabama.

ANSWER: **Auburn** University <Nelson>

ACRONYM 11 - Round 8

4. In his final appearance, this character arranges for a cannon to be fired upon learning that his son has been born, which naturally goes horribly wrong. For 10 points each:

[10] Name this psychiatrist and radio show host, who appeared in 20 seasons worth of TV comedies, beginning on the show *Cheers*.

ANSWER: **Frasier** (Winslow) Crane (prompt on "Crane")

[10] This actor, who played Frasier Crane on *Cheers* and *Frasier* also sang the latter series's theme song.

ANSWER: (Allen) Kelsey **Grammer**

[10] In the finale of *Frasier*, Frasier Crane bids farewell to his radio show by quoting "Ulysses," a poem by this British writer.

ANSWER: Alfred, Lord **Tennyson** <Nelson>

5. For 10 points each, name these bands whose names originate in European history:

[10] This Scottish group behind the hits "Take Me Out" and "Do You Want To" shares its name with an Austrian royal, though the band is actually named for a race horse named for the same person.

ANSWER: **Franz Ferdinand**

[10] An 1825 revolt inspired the name of this indie rock band fronted by Colin Meloy. In 2018, they released the single "Severed" from a new album titled *I'll Be Your Girl*.

ANSWER: The **Decemberists**

[10] Ian Anderson performed both flute and vocals for this band named for an agriculturalist, whose seed drill spawned a revolution in England and paved the way for modern agriculture.

ANSWER: **Jethro Tull** <Nelson>

6. For 10 points each, answer the following about the man all the kids are talking about these days - Soviet filmmaker Andrei Tarkovsky:

[10] One film by Tarkovsky about a dying man named Alexei is titled for one of these objects. In an unrelated film, an evil queen asks one of these things "Who's the fairest one of all?"

ANSWER: **mirrors**

[10] Tarkovsky's *Andrei Rublev* is about a real-life person with this profession. The 2017 film *Loving Vincent* also concerns a man in this profession.

ANSWER: **artists** (or **painters**)

[10] Another of Tarkovsky's films was adapted from Stanisław Lem's novel *Solaris*. That book was adapted again in 2002 by this director, who also made the films *Traffic* and 2017's *Logan Lucky*.

ANSWER: Steven (Andrew) **Soderbergh** <Golden>

ACRONYM 11 - Round 8

7. A serial killer in this TV series uses a mascot costume as a disguise. For 10 points each:

[10] Name this recently-cancelled Fox series, which is named for a common term for actresses who appear in a lot of horror films. It is centered on a fictional sorority in Louisiana.

ANSWER: **Scream Queens**

[10] This actress, who played Laurie Strode in the *Halloween* films, had a prominent role in *Scream Queens*. Her role in *Halloween* and other horror movies made her an early example of a scream queen.

ANSWER: Jamie Lee **Curtis**

[10] Among the other co-stars of *Scream Queens* is this actor and model best known for playing Jacob Black.

ANSWER: Taylor **Lautner** <Nelson>

8. For 10 points each, answer the following about Jennifer Hale, one of video gaming's most prolific voice actors:

[10] Hale voiced the female Commander Shepard, who battles a primeval intergalactic race called the Reapers in the first three games of this sci-fi series.

ANSWER: **Mass Effect**

[10] Hale serves as the announcer for the multiplayer mode of this 2011 action-adventure game. Subtitled "Drake's Deception," this game's story mode follows Nathan Drake's quest to find Iram of the Pillars.

ANSWER: **Uncharted 3**: Drake's Deception

[10] Players infiltrate the rogue special ops group FOXHOUND in this acclaimed 1998 game, which marked Hale's first time voicing Dr. Naomi.

ANSWER: **Metal Gear Solid** (do not accept or prompt on "Metal Gear") <Vopava>

9. As Minister Mason, this actress declares "I am a hat, you are a shoe!" while addressing the "freeloader" class aboard the title train in 2013's *Snowpiercer*. For 10 points each:

[10] Name this English actress who played Jadis the White Witch in *Chronicles of Narnia* and won an Oscar for the film *Michael Clayton*.

ANSWER: Tilda **Swinton** (or Katherine Matilda **Swinton**)

[10] In 2014 Swinton played the elderly aristocrat Madame D., whose death and disputed will are central to this Wes Anderson comedy about the *conciergerie* [con-see-AIRJ] Monsieur Gustave.

ANSWER: The **Grand Budapest Hotel**

[10] Marvel was accused of whitewashing for this 2016 film in which Swinton played the Ancient One, a Tibetan character who mentors a superhero played by Benedict Cumberbatch.

ANSWER: **Doctor Strange** <Vopava>

ACRONYM 11 - Round 8

10. For 10 points each, answer the following about the Stagg Bowl, which is the championship for Division III college football:

[10] The winningest school in Stagg Bowl history is Mount Union College, which is located in this state. Youngstown State and Bowling Green are also in this state.

ANSWER: **Ohio**

[10] The game is named for Amos Alonzo Stagg, a pioneering coach whose innovations include the pre-play huddle, tackling dummies, and this type of pass thrown *away* from the opposing goal line.

ANSWER: **lateral** pass (accept **backward** pass)

[10] Before 1973, the Stagg Bowl only crowned Division III's western regional champion; the *eastern* championship was named for this legendary Notre Dame coach who popularized the forward pass.

ANSWER: Knute **Rockne** [noot ROCK-nee] <Nelson>

11. This man released a duet with Ed Sheeran, which adapted the song "Perfect" into "Perfect Christmastime." For 10 points each:

[10] Name this blind opera singer whose biggest hit is a duet with Sarah Brightman titled "Con te partirò," or "Time to Say Goodbye."

ANSWER: Andrea **Bocelli**

[10] Bocelli recorded "The Prayer" with this Canadian singer of "Because You Loved Me" and "That's the Way It Is." She famously sang the "love theme" to the film *Titanic*.

ANSWER: Celine **Dion** (or Céline Marie Claudette **Dion**)

[10] On his album *Cinema*, Bocelli covered the song "Music of the Night" from this Andrew Lloyd Webber musical about a man who haunts a Parisian music venue.

ANSWER: The **Phantom of the Opera** <Golden>

12. The author best known by this name used the alias "Theodore LeSieg" for *I Wish That I Had Duck Feet*. For 10 points each:

[10] Give this pen name of Theodore Geisel ["GUY"-zul], whose first published book was *And to Think That I Saw It on Mulberry Street*.

ANSWER: **Dr. Seuss**

[10] To amass power, this Dr. Seuss character stands on the back on other creatures of his species, only for the tower to topple. Dr. Seuss explicitly stated that this character represents Adolf Hitler.

ANSWER: **Yertle** the Turtle

[10] Dr. Seuss's other socially conscious work included a story about these yellow birds who occasionally sport stars on their bellies, leading to discrimination against the birds that do not.

ANSWER: **sneetches** <Vopava>

ACRONYM 11 - Round 8

13. The spokesperson for this product preposterously used it to turn an old pickup truck into a submarine. For 10 points each:

[10] Name this product which, according to copious amount of TV commercials, "stops leaks fast."

ANSWER: **Flex Seal** (or **Flex Seal Colors**; accept **Flex Shot** or **Flex Tape**)

[10] Another recent ad for Flex Seal shows off its viability by using it to reassemble one of these objects that had been cut in half.

ANSWER: a **boat**

[10] Phil Swift, the boisterous pitchman for Flex Seal, has drawn numerous comparisons to this loud, bearded pitchman who peddled OxiClean, Kaboom, and numerous other products until his death in 2009.

ANSWER: Billy **Mays** (or William Darrell **Mays Jr.**) <Nelson>

14. This action was performed on James Harden after he was accused of stealing a "cooking dance." For 10 points each:

[10] Name this action taken by a certain rapper, which was done to Kevin Durant in 2011 but then revoked when he joined the Golden State Warriors.

ANSWER: being **cursed** by **Lil B** (accept descriptive equivalents, as well as the **Based God Curse** or similar; prompt on partial answers)

[10] After this NBA player claimed "don't nobody listen to Nas [nahz] no more", Lil B warned him that he was close to being cursed. This player's father LaVar is a pompous doorknob.

ANSWER: Lonzo (Anderson) **Ball**

[10] The aforementioned LaVar Ball launched this alliteratively-named fashion company in 2016. Its ZO2 shoes sell for a preposterous \$495.

ANSWER: **Big Baller Brand** (prompt on "BBB") <Golden>

15. Siblings with this surname play *Dungeons and Dragons* with their father Clint in the podcast *The Adventure Zone*. For 10 points each:

[10] Give this surname shared by the brothers Justin, Travis, and Griffin, who co-host the humorous advice podcast *My Brother, My Brother, and Me*.

ANSWER: **McElroy**

[10] In 2016, the McElroys jokingly suggested a willingness to reboot *Car Talk*, a series made by this non-profit organization that also produces the quiz show *Wait Wait... Don't Tell Me!*.

ANSWER: **NPR** (or **National Public Radio**)

[10] NPR also airs this radio show hosted by Ira Glass, whose episodes feature non-fiction stories centered on a certain theme. Its frequent guests include Sarah Vowell and David Sedaris.

ANSWER: **This American Life** <Golden>

ACRONYM 11 - Round 8

16. Barbra Streisand declared "The time has come" before she announced this woman's 2009 Oscar win. For 10 points each:

[10] Name this director of *The Hurt Locker*. She is the first and only woman to win the Academy Award for Best Director.

ANSWER: Kathryn (Ann) **Bigelow**

[10] Bigelow mostly makes crime and military thrillers, such as this 2012 war film that controversially depicts the torture techniques used in the hunt for Osama bin Laden.

ANSWER: **Zero Dark Thirty**

[10] In Bigelow's 2017 movie *Detroit*, this actor plays a security guard during a 1967 race riot. This man is best known for playing Finn in the current *Star Wars* trilogy.

ANSWER: John **Boyega** (or John Adedayo B. **Adegboyega**) <Vopava>

17. In an interesting development, literally every old TV show is being brought back now. For 10 points each:

[10] Eric McCormack and Debra Messing play the title characters of this NBC sitcom, which was revived to high praise in 2017. It is one of the first successful shows to prominently feature gay characters.

ANSWER: **Will & Grace**

[10] John Goodman's character died in the series finale of this show starring a namesake comedienne, though for some reason he is back to being alive in its 2018 revival.

ANSWER: **Roseanne**

[10] WE tv is rebooting this reality show that exploitatively depicts women preparing for their weddings and all the drama that ensues. This show received a spin-off titled *Marriage Boot Camp*.

ANSWER: **Bridezillas** <Nelson>

18. Suppose you're in a Math Olympiad and have to consider the limit as x approaches zero of the natural logarithm of one minus x minus the sin of x over one minus cosine squared x . For 10 points each:

[10] What is the limit of the function? Cady [KAY-dee] Heron solves this problem to win a state championship for her school at the end of a 2004 comedy.

ANSWER: the limit **does not exist** (accept answers saying there is **no limit**)

[10] Lindsay Lohan played Cady Heron, who befriends the Plastics clique and their leader, Regina George, in this film.

ANSWER: **Mean Girls**

[10] In *Mean Girls*, Plastics member Gretchen Weiners proudly states her father invented this breakfast food item, which is marketed by Pillsbury.

ANSWER: **Toaster Strudels** <Golden>

ACRONYM 11 - Round 8

19. This man's three-run homer in the 2017 National League Wild Card Game helped lead his team to the NLDS. For 10 points each:

[10] Name this first baseman, nicknamed "Goldy." Despite an otherwise strong season, he batted just .091 in the NLDS.

ANSWER: Paul (Edward) **Goldschmidt**

[10] Paul Goldschmidt is a five-time all star with this NL West team that plays at Chase Field in Phoenix.

ANSWER: **Arizona Diamondbacks** (accept either or **D-Backs**)

[10] The Diamondbacks' 2017 playoff run was bolstered by their acquisition of this outfielder. This player's remarkable 29 homers in just 62 games with the D-Backs led to jokes that part of his name stood for "Just Dingers."

ANSWER: J. D. **Martinez** (or Julio Daniel **Martinez**) <Nelson>

20. In one song, this person is told to "get the stretch!"; in a later song, he is ordered to "serve that scampi" at a "beach house in Miami." For 10 points each:

[10] Name this man, ostensibly a servant who caters to his employer's whims in songs like "That's What I Like."

ANSWER: **Julio** [HOO-lee-oh]

[10] Julio's apparent employer is this snappily-attired Hawaiian singer of "Treasure" and "When I Was Your Man." This singer suggested in a 2015 tweet that Julio may be dead.

ANSWER: Bruno **Mars** (or Peter (Gene) **Hernandez**)

[10] "Treasure" and "When I Was Your Man" appear on this 2012 Bruno Mars album with a sort-of rhyming title. It also spawned the single "Locked Out of Heaven."

ANSWER: **Unorthodox Jukebox** <Vopava>
