

TOSSUPS – THE SUN DEVIL ALSO RISES
Questions by Miguel Ruiz, Arizona State

RC COLA CLASSIC 2001 -- UTC

9/8/00
4/18/02
1/31/01

1. This show lasted seven episodes, which according to Betty White, makes it the longest running British sitcom ever. And who could doubt that with such lines as “You don’t have the cobbles,” uttered by the mother of the Hooligan family. FTP, identify this show which is not Shut Your Gob, a favorite of Homer Simpson’s viewing schedule on PBS.

Answer: _Do Shut Up_

2. Invited by Mary Pickford to come to the United States, this man left Germany in 1922 and his first film was Rosita. Renowned for his German films The Oyster Princess and Madam Dubarry, his “touch” on movies describes a sophisticated treatment of sexuality and nose-thumbing at moral norms. FTP, identify this director, famous for Trouble in Paradise, The Shop Around the Corner, To Be Or Not To Be (1942) and Ninotchka.

Answer: Ernest _Lubitsch_

3. You can let this get you to move and it would be alright. You can let this set in your shoes, stand up, and it will be alright. You can even use this to light up your fuse, alright. If you follow this command, you will share the spice of life and baby slice it right. So, FTP, tell the DJ to play your favorite tune and do what, according to Earth Wind and Fire?

Answer: _Let’s Groove_ (accept _groove_ early)

4. In this song this singer instructs you to take a step closer, and then to take a step back. You then toss your upper limbs toward the sky and then to the ground. He tells you to now retreat, retreat and orate what your next step will be. Finally, inhale and exhale before you continue to make a revolution. He instructs you again to continue making a revolution reminiscent of a Tina Turner song. FTP, these are the steps mentioned in the chorus of what song by Limp Bizkit?

Answer: _Rollin_

5. This group is now known as Dawn and features Paul Laine in addition to the remaining two members, Steve West and Bruno Ravel. Although their genre was considered done, their sophomore album Stick It did have two moderately successful singles, Monkey Business and I Still Think About You. FTP, identify this group, one of the last hair bands, whose biggest hits were indicative of their name, Bang Bang and Naughty Naughty.

Answer: _Danger Danger_

6. Set out of San Jose, this sextet consists of four brothers, a cousin, and a friend who have been together for 30 years. They have won a grammy, released 30 albums and 14 movies. This group is credited with inventing the style of narcocorrido, ballads about drug smuggling. However, they are perhaps best known for their songs reflecting the Latin American immigrant’s experience in the United States. FTP, identify this group, considered the “Jefe de Jefes” of norteño music, who got their name from their nickname when they started, the little tigers.

Answer: _Los Tigres del Norte_

7. The son of a silent movie director, this man started in the business as a MGM script reader before moving to Paramount, RKO and back to MGM. Finally, in 1936, he started his own production company and worked with Alfred Hitchcock on Spellbound and Rebecca. He also wrote the screenplay for A Duel in the Sun, which starred his wife, Jennifer Jones. FTP, identify this producer, whose success and accolades for producing the Third Man never equaled that of his success with Gone With The Wind.

Answer: David O. _Selznick_

8. Supporting roles in this movie include Ernie Hudson as Shortcut and Chris Sarandon as Phillip Madras. The plot revolves around Detective Tony Costas's quest to find a stolen prototype turbocharger. Not satisfied with the results, the Japanese car corporation decides to send an agent of its own to help discover the thieves. FTP, identify this forgettable buddy cop movie which paired Pat Morita and Jay Leno.

Answer: Collision Course

9. This woman's mother is part Cherokee while her father is a part Syrian and part Lebanese, which would explain her last name of Fadal. Her appearances in films such as Seamless and Dive Dogs wouldn't match the success of her later films nor her debut film of Jack Frost. FTP, identify this woman, who, sadly is engaged to Joe Reitman, her costar in Tomcats.

Answer: Shannon Elizabeth Fadal

10. A resident of Beaver, Pennsylvania, this woman, former cheerleader and member of the Alpha Gamma Delta, recently graduated from Westminster College and is looking for her career job. Past attempts at a job have included working as a waitress, library assistant, and currently an administrative assistant. However, she took some time off to explore the land down under with her journal and pen. FTP, identify this woman, recently kicked off Survivor despite the Ogakor majority, who didn't really have any story line, outside of saying "Oh...my..God!"

Answer: Amber and/or Bkrish

11. Harvey and Melissa were the babies. Marie wanted to be a nun while Sherrie was a brat. The only other boy was J.R. who was slightly mischievous. Wendy, Cindy, and Connie seemed to get into the most trouble at St. Augustine's. Elizabeth and Graham Lubbock are the parents in, FTP, what short-lived spin-off of Growing Pains.

Answer: Just The Ten Of Us

12. His usual hangout is Night City's Chatsubo where his friend Ratz tends bar. Trained by McCoy Pauley and Bobby Quine, this man was the best in his profession, until damaged by a Russian mycotoxin. FTP, identify this interface cowboy, the protagonist in William Gibson's Neuromancer.

Answer: Case

13. The title object of this story doesn't appear until the end as it is created for May Belle Aarons by her brother Jess. The impetus for the creation of this object and the subsequent installment of May Belle as the new queen are all a result of the tragic death of Leslie Burke, who fell from a breaking swing rope into a river. FTP, identify this children's work by Katherine Patterson.

Answer: Bridge to Terabithia

14. Set to release October 19th, 2001, the movie version of this work stars Anthony Hopkins as Ted Brautigan. "Blind Willie," "Heavenly Shades of Night Are Falling," "Low Men in Yellow Coats," and "Why We're In Vietnam," are the titles of four of the five short stories in this collection. FTP, identify this Stephen King work, where the title comes from the last story in the collection, a tale about college freshmen addicted to a four player card game.

Answer: Hearts of Atlantis

15. According to a review on Amazon.com, this character looks like "a sort of lantern-jawed equalizer clad in dark blue long underwear," who roams the globe, performing amazing feats and coming to the aid of those who languish in tyranny's chains! In the first issue featured this character, he is shown delivering an "immortal haymaker" onto the Führer's jaws. FTP, identify this comic book character created in Michael Chabon's The Amazing Adventures of Kavalier and Clay.

Answer: The Escapist

16. Released in 1993 by Hudson Soft, this game eventually transcended its original platform to become an arcade game, a reverse of the usual process. In this game, the main character must fight King Drool and save the princess. However, you're a caveman and you don't have any knowledge of tools, so you use the only weapon you have: your head. FTP, identify this game, perhaps the most popular for the Turbo Graphix 16.

Answer: _Bonk's Adventure

17. Drafted in 1993, this man has never had a full professional season at any level. In the process, he lost his 90+ fastball, but he learned accuracy. A Kansas City Royals reliever shares this man's first and last name, who is nicknamed "Big Daddy." FTP, identify this pitcher, who dominated over the last half of the 2000 season to become the Ace of the pitching staff in Milwaukee.

Answer: Jeff _D'Amico_

18. This object was rediscovered about 500 years after it was lost in a cavern near San Francisco. The owner lost this possession after a sonic boom by an Ophidian Cane in an attempt to time travel back to the 24th century, although he was finally reunited with it before the crew destroyed Devidia II. FTP, identify this body part, seen in every Star Trek: The Next Generation episode, but in Time's Arrow, was absent from the rest of Brent Spiner's character.

Answer: _Data's Head_ (accept equivalents; prompt on Data on an early buzz)

19. Warning! Two Answers Required. When director Raja Gosnell was casting for his newest movie, he wanted a real life couple to play two of the main characters, and he chose these two persons, who costarred together previously in another movie. In that movie, they had opposite love interests, Ryan Phillippe and Jennifer Love Hewitt, respectively FTP, identify this recently engaged couple, who will be seen on the screen together as Fred and Daphne in the upcoming movie of Scooby Doo.

Answer: Freddie _Prinze_ Jr. and Sarah Michelle _Geller_

20. It precedes sport, a man with a tape recorder up his nose, a man with a tape recorder up his brother's nose, a man with nine legs, a Scotman on a horse, a man with two noses, and a man with three buttocks. FTP, give this six-word transitional catchphrase first popularized in 1969 by Monty Python.

Answer: _And now for something completely different..._

21. In Europe, his name is given as Dr. David Black and he resides at Tudor Close, but his first name is reputed to be Jon in the America. Nevertheless, this man probably still regrets how, fifty years ago, he first asked six of his closest friends to come over a dinner party. No matter what really happened, though, his corpse always seems to end up at the foot of the cellar stairs. FTP, name this man, who could have been killed in any one of 324 ways, one of which can be in the Conservatory with the Candlestick by Colonel Mustard.

Answer: Mr. _Boddy_

22. Although deemed the first human Act of God by the Bernadelli Insurance Company, this man describes himself as "'a hunter of peace who chases the mayfly known as love'". Yet, he is the most feared outlaw on the planet, wanted for causing the destruction of the entire city of July. Although he is an expert shot, he hates causing pain, and also nobody will believe he is the famous outlaw because he is such a dork. FTP name this man with a price of 60 million double dollars on his head known as the Humanoid Typhoon, the hero of the anime "Trigun," who shares his name with a recurring female love interest of Jean Luc-Picard.

Answer: _Vash_ the Stampede

23. This school won an invitation to this year's Women's NCAA basketball tournament by defeating regular season co-champ Drake in the Missouri Valley Conference tournament. They made the 1992 Final Four, losing to eventual runner-up Western Kentucky. Their men's team has done well in its own right, making the Sweet Sixteen in 1999 before losing to Duke, after which their coach left Springfield for Iowa. For ten points, name this school, nicknamed the Bears, whose 2001 Women's team made the Final Four behind the inspired play of all-time Women's scoring leader Jackie Stiles.

Answer: Southwest Missouri State University

24. In one of the strangest scenes since its creation, it actually ran backwards for a time last year. Developed by late New York developer Seymour Durst, it was turned off on September 7th, 2000, 13 years before it would become obsolete. For ten points, name this 13-digit-long financial "scoreboard" of sorts, found in Times Square, which also has a 5-digit number detailing "YOUR family share".

Answer: National Debt Clock (accept equivalent)

25. This international soccer tournament will have its 35th anniversary this year. It is run by the Scarborough Soccer Association, and will be held in Toronto in July of 2001. It took its name from a three-year old child with the last name of Wimbs who was dying of Cystic Fibrosis, and indeed its proceeds go towards fighting that disease and Muscular Dystrophy. For ten points, name this soccer tournament, held at Birchmount Stadium, mentioned in the Barenaked Ladies' song "One Week".

Answer: The Robbie

BONI – THE SUN DEVIL ALSO RISES
Questions by Miguel Ruiz, Arizona State

RC COLA CLASSIC 2001 -- UTC
