TRASHMASTERS 2004 – UT-CHATTANOOGA

4/4/05

He led the American League in hits in his rookie season of 1942, but then spent three years fighting in World War II. While with Detroit in 1952, he helped Virgil Trucks record his second no-hitter of the season after admitting that he misplayed a Phil Rizzuto ball originally called a hit. The goat of the 1946 World Series when he allowed Enos Slaughter to score, FTP name this Red Sox shortstop, born John Paveskovich, the namesake of the right field foul pole in Fenway Park.

Answer: **Johnny Pesky**

2. The title came about as a catch phrase among band members about what they hoped would happen to people "behaving in a shitty way." The piano riff in the chorus echoes another song about someone acting badly, the Beatles' "Sexy Sadie." The lyrics decry a man who "buzzes like a detuned radio" and a girl with a "Hitler hairdo," and hope that the titular entity will arrest them. We are told in the coda that the narrator "For a minute there..I lost myself" over and over. FTP name this 1997 song, the third single from "OK Computer," a major hit for Radiohead.

Answer: **Karma Police**

3. A 1979 graduate of Davidson College, this woman won an investigative reporting honor from the North Carolina Press Association for a series of articles about crime and prostitution in Charlotte. Her first book, *An Uncommon Friend*, was a biography of Billy Graham's wife, but her six years of work for the Virginia Chief Medical Examiner's Office inspired her best know series of a dozen novels. FTP name this author of *Blow Fly* and *Trace*, both featuring Dr. Kay Scarpetta.

Answer: **Patricia Cornwell**

4. It was he who took and hid the Harvest Festival Clam trophy, causing a war among his neighbors (on Spooner St.). He became an award-winning adult movie director while living with his cousin Jasper briefly in LA. He can speak in almost-perfect French, has a third-degree green belt in Taekwondo and has a phenomenal singing voice, FTP, name this sarcastic, alcohol-loving dog, the family pet of the Griffin Family in "Family Guy."

Answer: **Brian Griffin**

5. It was dissed in a song by the Donnas as insufficiently manly, but Jim Bouton lavished praise on it in *Ball Four*, and it was a favorite drink of Hannibal Smith on "The A-Team." Some versions contain Amaretto but most varieties stick to rum as the main liquor, with triple sec to go with lime, orange, and pineapple juices. Legend has it that this concoction, whose name is from a Polynesian word for "the best," was first created during World War II in Emeryville, California. FTP name this cocktail, famously asked for by Milton in the final scene of *Office Space*.

Answer: **Mai Tai**

6. She was offered the role of Jessica Fletcher in "Murder, She Wrote," but she declined. She portrayed Sister Miller in "Damn Yankees" way back in 1958, while in a 1962 episode of "The Defenders," she played a witness to a murder committed by Carroll O'Connor. Name, FTP this actress who went on to star opposite O'Connor as his "dingbat" wife Edith Bunker in "All in the Family."

Answer: **Jean Stapleton**

7. Their 1972 debut album in the U.S. was called "No Answer" due to a dropped telephone connection. They became superstars with a string of albums from 1973's "On The Third Day" through "Time" in 1981. Their first Top 10 Stateside was "Can't Get It Out Of My Head," which set the pattern for highly-produced Beatlesque pop with lush string and keyboard arrangements. Formed from the ashes of The Move, Roy Wood relinquished frontman duties to Jeff Lynne. FTP name this 70s rock stalwarts, who gave the world "Livin' Thing," "Turn To Stone," "Evil Woman Light Orchestra," and "Don't Bring Me Down."

Answer: **Electric Light Orchestra or ELO**

8. This franchise played its last game in its original city on March 26, 1973, defeating the Carolina Cougars in front of a paid attendance of 134. That year the team once known as the Dallas Chaparrals moved to the HemisFair Arena; they then bought Sven Nater and another player from the struggling Virginia Squires. FTP the acquisition of George "The Iceman" Gervin brought what ABA and NBA team to prominence, long before they won titles in 1999 and 2003?

Answer: **San Antonio Spurs**

9. Many decks in its color, known for being able to spawn many creatures, would have no use for this creature due to its high casting cost and maintenance. It's especially effective, however, in decks that also employ white, since Spirit Link will allow you to undo the damage it might cause you – 8 hit points per turn - and Circle of Protection can lower its upkeep cost from four mana to one. Similar to Lord of the Pit, this rare creature does not fly but does trample. FTP name this massive 8/8 Green creature from Magic : The Gathering with a casting cost of 6 mana, who has nothing to do with a bad movie featuring Sandra Bullock and Ben Affleck.

Answer: **Force Of Nature**

10. Three college guys who call themselves the "Pennsylvania Posse" come to Miami Beach aim to promote spring break parties, but ringleader Brandon is continuously busted by a tenacious police woman while nerdy Eddie spends more time trying to hook up with a cyber-pen pal. Boy crazy Kaya and scheming Alexa bring their best friend from Texas to have some sun and fun in Florida. The two title characters of this 2003 picture meet by chance, and spend the rest of the movie trying to meet up while performing one ghastly song-and-dance number after another. FTP name this box-office flop, starring the two finalists of the first season of "American Idol."

Answer: **From Justin To Kelly**

11. Founded in 1923, its first international flights came in 1937. In 1974, it began to offer transcontinental service to America from its hub at Ireland's Shannon International Airport, 6 years after its first flights to New York. British consultants spearheaded an image overhaul after it has developed a reputation for terrible service and a lax safety record. It acquired its first Western aircraft, an Airbus A310, in 1992. During the 1990s it was split up into dozens of airlines, some of which had only one airplane. FTP name this airline, still 51% state-owned, whose name was synonymous with civil aviation in Soviet Russia.

Answer: **Aeroflot**

12. A roller coaster dedicated to him is the top attraction at Mount Ridesplace USA. Among his great achievements are the smiting of a creature known as the Kerrek. The protagonist and titular character of one Videlectrix game, and the villain of another, he is shaped somewhat like a snake, with angry eyebrows, sharp teeth, and scales each constructed from Consummate "V"s. The bane of peasants and thatched-roof cottages everywhere, this is, FTP what cartoon dragon, a creation Strong Bad from homestarrunner.com, nicknamed "The Burninator"?

Answer: **Trogdor The Burninator**

13. A Harlem native who sang with the Harlem Boys Choir, she first gained attention with her beatbox antics on Ol' Dirty Bastard's "Got Your Money." She wrote most of the songs on her second album *Wanderland*, which due to contract disputes was at first released only in Europe. She then teamed up with the Neptunes, who brought in an all-star hip-hop and R&B cast, including Andre 3000 on "Millionaire" and Dallas Austin on "Trick Me" to guest on her 2003 breakthrough effort, *Tasty*. FTP name this pop singer, who brought lots of boys to the yard with "Milkshake."

Answer: **Kelis Rogers**

14. Anne Bancroft was originally cast to play Evelyn Clasky in this film, but she had to pull out, and the role went to Cloris Leachman. Shelbie Bruce plays Cristina, the 12-year old narrator, daughter to Flor, who decides to move them both from Mexico to America. FTP identify this 2004 film starring Paz Vega as Flor, Tea (TAY-uh) Leoni as Deborah, and Adam Sandler as Deborah's husband John.

Answer: **Spanglish**

15. On July 6, 1993, former San Francisco chef Steve Ellis opened his first restaurant at 1644 East Evans Avenue in Denver, CO, and it has since expanded to over 900 locations. Since 2001, their chicken has come from the antibiotic-free Bell & Evans farm and their pork from the deliberately small-scale Niman Ranch, thanks to investment help from 90% owner McDonalds. Notable for their décor and a limited menu that enables an assembly line food system, this is, FTP what popular high-end fast-food Mexican chain, taking its name from the trendy term for smoked jalapeño peppers?

Answer: **Chipotle Mexican Grill**

16. In the pilot episode to this series, a Hungarian homeless man propositions the title character for money to buy a phone card and rent a synthesizer so that he can record his symphony. Paget Brewster portrays the wife of a man who witnesses one of his patients commit suicide in front of him. Oliver Platt co-stars as a lawyer, while Blythe Danner plays mother Izzie in, FTP what new Showtime dramatic series starring Hank Azaria as a troubled psychiatrist?

Answer: **Huff**

17. A native of Washington, DC, he was drafted late in the third round out of Villanova in the 2002 draft. This season, his first as the undisputed starter going into training camp, he's been hampered by a broken rib and bruised chest sustained early in a 34-31 overtime win over Cleveland. Emerging from battles for playing time with Correll Buckhalter and Duce Staley, through Week 12 he has as many touchdowns receiving as rushing – three each – and 410 receiving yards to go with his 668 rushing yards on only 141 carries. FTP name this second favorite target of Donovan McNabb, the starting tailback for the Philadelphia Eagles.

Answer: **Brian Westbrook** [don't have to give first name, but do NOT accept Bryant Westbrook]

18. She appeared on *Days Of Our Lives* as Carmen Silva and *The Young & The Restless* as Stephanie Simmons. Her prime time TV career has not gone well, as *Arsenio* and *Getting Personal* were not long for this world. Her film career niche, epitomized by *Juwanna Mann* and *Boat Trip*, is as a romantic interest in lowbrow comedy, and has gotten her mocked repeatedly on *The Boondocks*. FTP name this actress, of *Independence Day* and *Booby Call*, whose more respectable and tough roles include Frankie Sutton in *Set It Off*, and Vernita "Copperhead" Green in *Kill Bill*.

Answer: **Vivica A. Fox**

19. The album cover is a hieroglyphic symbol, and the liner notes invoke Babylonian myth. The songs are built around the concept of "Big Brother," a future where the powers that be could easily monitor peoples' activities. Two singles, "Psychobabble" and "Old And Wise," reached the low charts in the UK, but far more famous is its opening instrumental "Sirius," the soundtrack for many a grand entrance by a home sports team. The title track, a top ten smash in the US, told us over and over that the narrator could "read your mind." FTP name this 1982 album, the most famous by the Alan Parsons Project.

Answer: **Eye In The Sky**

20. On screen, he's been portrayed by Frank Stallone in *Angels With Angles*. Peter Dobson in *Forrest Gump*, Michael St. Gerard in *Great Balls of Fire*, and Tyler Hilton in the forthcoming *Walk The Line*. On television, he's been played by Dale Midkiff, Ronnie McDowell, Kurt Russell, and Don Johnson. FTP name this non-fictional character, star such of films as *Easy Come, Easy Go*, *Speedway*, *Clambake*, *Blue Hawaii*, *Girls! Girls! Girls!*, *Viva Las Vegas*, and *Jailhouse Rock*.

Answer: **Elvis Aron Presley**

21. He made his first appearance on *Happy Days* in 1978 – attempting to kidnap Ritchie, and he was so popular, that he was given his own spinoff show. He is a native of the Planet Ork, a wacky alien sent to study Earth. He landed just outside of Boulder, CO, spent lots of time at Mt. Mount High, married and had a child named Mearth. FTP, name this character played by Robin Williams from 1978-1982, known for wiggling his ears and saying "Nanu Nanu".

Answer: **Mork**

22. Pink event cards could be good or bad. Prices as shown by cards would change with each time a "sale" card was drawn. The goal, other than to generate a race of shopping yuppie zombies, was to be the first player to completely furnish an apartment with stuff. FTP identify this 1980s board game, whose neatest feature was probably a spinning wheel dressed up as a credit card machine.

Answer: **Bargain Hunter**

23. A mysterious celestial entity known only as Dust, and children disappearing due to the mischievous actions of "gobblers," who separate children from their daemons, creatures who manifest their souls, disrupt the quiet world of Jordan College at Oxford University. The heroine is precocious orphan Lyra, who rescues her powerful uncle, Lord Asriel, from an assassination attempt. Her friend Roger possesses a truth-telling device that serves as the title object in the book. FTP name this Philip Pullman fantasy classic, the first book in the trilogy *His Dark Materials*.

Answer: **The Golden Compass**

Questions by Tim Young, Adam Fine, and Tricia Southard
