

ACRONYM IX - Round 1 Tossups

1. **Brendan Fraser is briefly turned into this man on the day of his death in the film *Bedazzled*. Henry Fonda played a "Young" version of this man in a namesake 1939 film. This man, who flies a rocket chair in *The Lego Movie*, is also the subject of a 2012 film starring Benjamin Walker. In that film, this man is depicted as a "Vampire Hunter." The only man to win a third Best Actor Oscar did so playing this man in a different 2012 film by Steven Spielberg. For 10 points, name this president played in that film by Daniel Day-Lewis.**

ANSWER: Abraham Lincoln

2. **Long-time Atlanta Braves manager Bobby Cox primarily played this position during his playing career. Jimmy Collins was the first Hall of Fame inductee to play this position, which is the position with the fewest players inducted. The National League's Gold Glove winner at this position for the last three seasons has been the Rockies' Nolan Arenado, though he is 13 shy of the total won by Brooks Robinson. Matt Carpenter and Pablo Sandoval also play, for 10 points, what infield position sometimes called the "hot corner"?**

ANSWER: third base

3. **The sci-fi novel series *Hyperion Cantos* depicts the apparent destruction of this place in an event dubbed the "Great Mistake of '08." The Imperium faction in the *Warhammer 40,000* universe is headquartered on this planet. In the *Stargate* franchise, the term "Tau'Ri" refers to citizens of this planet, which is protected by Tuxedo Mask in *Sailor Moon*. A film revealed to take place on this planet ends with Charlton Heston screaming "You maniacs, you blew it up!" For 10 points, name this title planet in *Planet of the Apes*, which you are on.**

Answer: Earth

4. **This band announced its most recent album with a video on Mike Tyson's Twitter account. In one music video by this band, its members watch their fictional kids fight over a girl on a playground, and another of their videos stars a security guard who dances in place for the song's duration. That song notes "I've got a girl who keeps me waiting" and appears on their album *El Camino*, which was followed by *Turn Blue*. Dan Auerbach and Patrick Kearney comprise, for 10 points, what rock band behind "Lonely Boy" and "Fever"?**

ANSWER: The Black Keys

5. **Several buildings near this location, including Sherry Netherland's Furry Arms Hotel, occupy an area officially named "Around the Corner." One building in this place was converted into a post office in 2002 but eventually changed back to the "Fix-It Shop" where both Maria and Luis worked. Other key locations in this New York neighborhood include a general store named for the late Mr. Hooper and a trash can, where a certain character lives. For 10 points, name this title thoroughfare of a children's TV show.**

ANSWER: Sesame Street

ACRONYM IX - Round 1 Tossups

6. This man co-authored a book that accompanied the 2008 Marilyn Manson album *Born Villain*. In 2014, this celebrity gave lectures for the London College of Fashion and was arrested after being kicked out of a performance of *Cabaret*. This performer appeared in a 2015 video called #INSTRUCTIONS as well as a livestream in which he could be seen at the Angelika Film Center watching all of his own films. For 10 points, name this star of a bizarre motivational speech video who also appeared in *Even Stevens* and *Transformers*.

ANSWER: Shia LaBeouf [luh-BUFF]

7. One game in this series ends with a hidden level containing a trunk that is "best left forgotten" and stars a boy who is tormented by his brother. That fourth game of this Scott Cawthon-created series takes place in a bedroom instead of the title location. That title location is home to characters like Foxy and Bonnie, as well as the location's namesake, whose surname is Fazbear. Security guards are the usual protagonists of, for 10 points, what horror game series set at the title pizza restaurant over a series of evenings?

ANSWER: Five Nights At Freddy's [accept Five Nights At Freddy's 4 from earlier clues]

8. One record held by this athlete was achieved by surpassing Larisa Latynina. For his entire career, this athlete has been coached by Bob Bowman, often in his home town of Baltimore. In one event, this athlete incorrectly believed he had finished behind Serbia's Milorad Cavic [KA-vich]. While in a race with a team also featuring Brendan Hansen, Aaron Peirsol and Jason Lezak, this athlete broke a record previously set in 1972 by Mark Spitz. For 10 points, name this 22-time Olympic medal-winning American swimmer.

ANSWER: Michael Phelps

9. While noting that people create the things they dread, this character amusingly forgets the word "children." This character attacks Helen Cho, a doctor specializing in synthetic tissue. This villain, who also menacingly quotes a song from *Pinocchio*, uses a supply of Wakandan [wuh-KAHN-den] vibranium to lift part of a city into the air, before his last physical form is defeated by The Vision. James Spader voiced, for 10 points, what artificial intelligence created by Tony Stark whose namesake "age" titles a 2015 Marvel film?

ANSWER: Ultron [accept Age of Ultron]

10. The Looney Tunes short *Daffy The Commando* depicts an unsuccessful attempt to perform this action, which is also the ultimate goal of the title group in the Australian spy comedy *Danger 5*. Mels regenerates into River Song in a *Doctor Who* episode named for this action, which is performed in a Quentin Tarantino film during a movie premiere. The Tom Cruise film *Valkyrie* fictionalized Claus von Stauffenberg's attempt to perform, for 10 points, what action that was self-performed in 1945 inside the Fuhrerbunker?

ANSWER: kill Adolf Hitler [or equivalents; prompt on partial answers]

ACRONYM IX - Round 1 Tossups

11. **One episode of this series centers on Owen Mallory, the head of an illegal adoption company called the Cyprus Agency. In another story arc, Luther Braxton is hung with a necktie belonging to this show's protagonist. That character, who employs the bodyguard Dembe Zuma, initially claimed he would only speak to FBI rookie profiler Elizabeth Keen, who becomes his assistant. For 10 points, name the show in which the former criminal Red Reddington tracks down criminals from the title document.**

ANSWER: The Blacklist

12. **NothinZ and USA Dawgs both make imitations of these products. A fur lining appears in the Blitzen variety of these products, which can also be augmented by charms called Jibbitz. Fashion expert Tim Gunn asked "how can you take that seriously?" when discussing these clothing items, which are made of a material called Croslite. More recent versions of these products include traditional loafers, which differ aesthetically from their "classic" clogs. For 10 points, name these dumb-looking plastic shoes with holes in them.**

ANSWER: Crocs [prompt on vague things like 'shoes']

13. **One minor character in this series wears a mask that resembles part of a video game controller and fails to stop a bank robber named Bull-Bull. After the title character of this series defeats Mosquito Girl, he reluctantly takes on an S-class robotic disciple named Genos. That title character is often said to hold back during fights due to his incredible strength, which is referenced in this series' title. For 10 points, name this manga and anime series about the bald hero Saitama, who can defeat an enemy with a single attack.**

ANSWER: One Punch Man

14. **This song's guest rapper uses the phrase "frizz in a bottle" while name-dropping a line of drinks that she co-owns called Myx Moscato. This song's beat heavily samples Wham's "Wake Me Up Before You Go-Go." One performer of this song compares herself to someone with a "booty like a Cadillac", and another says she'll "show you how to graduate." "I know you want it" is repeated in the chorus of, for 10 points, what repetitively titled song featuring Ariana Grande and Nicki Minaj and recorded by Jessie J?**

ANSWER: Bang Bang

15. **This character dates a man who claims to have never seen the inside of a public blimp, as well as an elderly man who believes he's still fighting in World War II. After her clothing is mocked, this character sarcastically notes that "2090 called" and that Xanthippe [zan-THIP-ee] wasted her time on Earth. With three other women including Cyndee, this character uses evidence found in a bunker to convict Indiana cult leader Richard Wayne Gary Wayne. Ellie Kemper plays, for 10 points, what "Unbreakable" TV character?**

ANSWER: Kimberly "Kimmy" Schmidt [accept either underlined part]

ACRONYM IX - Round 1 Tossups

16. **Two members of this group co-host the web series Superfruit. This group finished ahead of Dartmouth Aires and Urban Method on a reality show and released a video showing how to perform the hand movements that accompany their cover of Fleet Foxes' "White Winter Hymnal." "Can't Sleep Love" appears on this group's self-titled album, their first to contain mostly original songs. They may be better known for medleys like "Evolution of Music" and one made of Daft Punk songs. For 10 points, name this acapella quintet.**

ANSWER: Pentatonix

17. **One early version of this event lasted for an entire season and was won by Darnell Hillman. This event was not held in 1998 due to lack of interest. Props used during these events have included a sticker of a man's face, rapper Puff Daddy, and a candle-lit cupcake. The 2015 winner of this event, which was first won in 1984 by Larry Nance, revealed he was wearing a jersey from the film *Space Jam*. Zach Lavine [lah-VEEN] is a two-time winner of, for 10 points, what Verizon-sponsored basketball skill competition?**

ANSWER: Verizon NBA Slam Dunk Contest

18. **Elgin leads a group called the Lil Saints who perform this action in Mr. Rad's warehouse in a 2004 film. Lauryn Kirk is rejected by a school that teaches this action in the film *Make it Happen*. Reverend Shaw Moore performs this action at the end of a 1984 film set in Bomont, a town where this action is not allowed. Jenna Dewan [deh-WAHN] and her husband Channing Tatum first met on the set of a film centered on this action titled *Step Up*. For 10 points, name this action also performed at the end of *Footloose*.**

ANSWER: dancing [accept word forms; prompt on specific forms of dancing]

19. **One person associated with this event described it on Twitter as a "long, strange 24 hours" and another simply said "All the love as always." A photo of Lauren Richardson with a certain man may have contributed to this event. The perpetrator of this event tweeted that he loves "a girl named Perrie Edwards" before doing it. It occurred during the On The Road Again Tour and occurred because a man wanted to be a "normal 22-year-old". For 10 points, name this 2015 event in which a British pop group became a quartet.**

ANSWER: Zayn Malik leaving One Direction [accept equivalents with just the first or last name, but prompt on otherwise partial answers]

20. **One game in this series depicts the heroic death of the otherwise weirdly controlling Adam Malkovich. SR388 is an often-mentioned planet in this series, though only the second game in the series takes place there. This series' title creatures, who were named by the Chozo, are also seen on Zebes [zeebs] and can often be frozen with an ice beam. Other common items in this series include the Varia Suit, Screw Attack and Morph Ball. Ridley is a major boss in, for 10 points, what Nintendo sci-fi series starring Samus Aran [SAM-iss AIR-in]?**

ANSWER: Metroid
