

**QUIZ BOWL
TRASH PACKET**

**WRITTEN & EDITED BY
JADE ANDERSON**

CONTAINS 22 TOSSUPS AND 22 BONUSSES

TOSSUPS

1. **One character in this episode discovers a whale's tooth scimitar near a body of water. Another character remarks that "a moment of quiet is good for your mental wellbeing" in this episode. The titular character of this episode sustains an injury and takes refuge in an abbey.** Team Avatar is taken ice dodging for which one character receives the mark for trust. This episode marks the first appearance of the bounty hunter June and her shirshu. For 10 points, name this episode named for Sokka and Katara's family friend.

Answer: **Bato of the Water Tribe**

2. **In one episode, this character declared that all of the Fire Sages were traitors, after one of them aids Aang. In another episode, this character burns his own ships in a fight. Prior to the beginning of the series, this character was promoted** to commander. He later achieves the rank of admiral in one episode. After being defeated in the North Pole, this character denies being saved by Zuko and instead is grasped by the ocean spirit. For 10 points, name this Fire Nation military leader who killed the moon spirit.

Answer: **Zhao**

3. **One member of this organization claims to have "not taken a vacation in years." In an unreleased, yet canon, episode, the founder of this organization expressed regret** of its creation. Some members of this organization were exiled after appearing at a summoning five minutes late. During the Hundred Year War this organization's members detained and brainwashed dissidents who spoke of the war within a city's walls. For 10 points, name this organization that was created by Avatar Kyoshi to uphold Ba Sing Se's cultural integrity.

Answer: **Dai Li**

4. **After capturing Toph and Aang in one episode, Xin Fu says he is not doing this action. In one episode, Katara asks Aang why he is doing this action** to which he replies that he didn't realize he was doing it. After Aang tells him he's "pretty smart," Zuko is seen doing this action. In another episode, one character is advised to just laugh and do this at anything a boy tells her. Joo Dee is often seen doing this action which is considered discomforting by other characters. For 10 points, name this action that Zuko rarely does due to his angst.

Answer: **smiling**

5. **In one episode, this character is seen trying to enter Omashu but is turned away. In another episode this character remarks that "this [pier] is worse than Omashu "** after Aang airbends his cart while escaping from pirates. While waiting for a ferry, a platypus bear eats this character's products. After Aang releases animals from a zoo, a rabbaroo is seen eating this character's products to which this

character walks away dejected. For 10 points, name this recurring character who frequently makes the same exclamation about his vegetable products.

Answer: Cabbage Merchant

6. In one scene of this episode, a character breaks a rock shelf so that Fire Nation soldiers cannot follow. One character claims that a tent tarp is better used as a blanket in this episode. This episode is later mocked in The Ember Island Player episode with actor Sokka dismissing it. When he sees an egg custard tart in this episode, Aang's stomach starts to rumble as he declares that he's so hungry. For 10 points, name this episode in which two dissenting tribes must pass through a canyon with the help of Team Avatar.

Answer: The Great Divide

7. This character is described as “crazy” and “needs to go down” by another character. The first appearance of this character is in the episode “The Storm” but they do not have a speaking role. The last frame of Book 1 is a still of this character’s face. After discovering a pit in her cherry, this character banishes a servant. Besides Old Sweepy, this character is the only other known person to be physically able to lie to Toph without the latter being able to sense it. For 10 points, name this firebending prodigy and sister of Zuko.

Answer: Princess Azula

8. School children in this location recite an oath named “The March to Civilization” every school day. According to one character, this location has “a million” people with the name “Lee.” A leader from this location appointed himself as ruler of the world with the title The Phoenix King. This location’s people utilized hot air balloons during the Hundred Years War. Ember Island and the Great Gates of Azulon are some notable places in this location. For 10 points, everything changed when this location attacked.

Answer: the Fire Nation

9. This ability is inspired by the Chinese martial art Chin Na, but one user does not adhere to those movements when using this ability. This ability is only used by two characters in the entire series. One user of this ability described it as the “ultimate” technique. One of the characters that was on the receiving end of this ability was the captain of the Southern Raiders fleet. This ability was first used on rats in a prison cell and it can only be used during a full moon. For 10 points, name this water bending ability that allows the bender to control another organism.

Answer: bloodbending

10. In one episode, a character gets their tongue frozen to this object. After being captured, that character asks firebenders if they have seen this object. One character crashes into a snow watch

tower after using this object and another character attempts to air surf with it. Aang burns this object, and then later receives a replacement that is blue and has a candy compartment. For 10 points, name this object used by Air Nomads that allows the user to augment their bending to fly.

Answer: glider or airbending staff

11. In this episode, a character is unfazed by the destruction of an object because it belonged to the Hami tribe. Shirshu spit darts are shot at the title character after they try to escape from capture. The title character of this episode engages in a brawl with a porcupine boar. A flashback in this episode shows the title character's first meeting with Aang. For 10 points, name this episode in which the title character wanders and looks for Team Avatar after being captured by sandbenders.

Answer: Appa's Lost Days

12. One character in this episode dramatically takes off their shirt and is met with the giggling of several girls. Another character describes their own aura as pink in this episode. That character is also called a "circus freak" in this episode. Another character calls Chan's outfit sharp and claims the two of them "will dominate the earth" in this episode. For 10 points, name this episode in which the series' teenage antagonists go on vacation to Ember Island.

Answer: The Beach

13. This character once intercepted a message that was going to be sent to the Fire Lord. This character had their head frozen in a block of ice in one episode and in the same episode, this character's bending ability was hindered by a pebble. Toph describes this character as a "giant metal man" after detecting their footsteps. This character meets their demise after being hit in the head by Sokka's boomerang. For 10 points, name this character who was hired by Zuko to assassinate Aang.

Answer: Combustion Man or Sparky Sparky Boom Man

14. One character uses a variant of this object to stack bowls of rice on top of each other. Another character utilizes this object to force another character to dance. One character says that two of these objects are only decorative when another character asks about them. Jet often used hooked variations of this object in combat and Piandao is a master at fighting with this object. For 10 points name this object, one of which Sokka forges out of a meteorite.

Answer: sword(s)

15. Description acceptable. During this event, one character says they have to be "fast, careful, and lucky." The mechanist builds several technologies for this event including waterbending powered submarines. In conjunction with this event, King Bumi liberates Omashu and Iroh escapes from his prison cell. Katara and Aang experience their first kiss just before this event. After this event, Zuko defects to

Team Avatar and only the children involved in this event escape. For 10 points, name this event that occurred on the solar eclipse in which firebenders lose their bending.

Answer: Invasion of the Fire Nation (accept Day of Black Sun or solar eclipse before “solar eclipse” is mentioned)

16. **During this activity, one character sweeps the leg of another character in an episode. In another episode, the camera focuses on a falling shoulder garment** while the characters engage in this activity. In the series finale, two characters engage in this activity in competition for the position of the Fire Lord. Zuko was given his facial scar after refusing to participate in this activity against his father. For 10 points, name this activity in which firebenders duel each other.

Answer: Agni Kai

17. **In one episode, a sculpture of this character is mistaken for a blubbering blob monster. In the finale, this character “came back”** rather than boomerang. In Sokka’s painting, this character is shown firebending despite not actually having that ability. This character was referred to as a “favorite prisoner” by another character. After Toph almost drowns while crossing the Serpent’s Pass, this character saves her. For 10 points, name this character who is the leader of the Kyoshi Warriors.

Answer: Suki

18. **In this episode, Sokka discovers his fishing line is gone and that Aang made it into a necklace. In one scene of this episode, Aang interrupts a couple hugging to ask where he could find a panda lily.** A character is threatened by a platypus bear, but remains completely calm in this episode. The title character states that Sokka’s life will be full of “struggle and anguish” just by looking at his face. For 10 points, name this episode in which Aang saves a village from an erupting volcano after the title character tells the village the volcano would not erupt.

Answer: The Fortuneteller

19. **In this episode a merchant tells the title character that they can only afford two bags of feed. In one scene of this episode, the title character goes to rob a man for food, but stops when he realizes the man is travelling with a pregnant woman.** In a flashback in this episode, a turtle duck bites the title character’s ankle. A notable object in this episode is a pearl dagger with the words “Never give up without a fight” inscribed on it. For 10 points, name this episode that focuses solely on a banished prince.

Answer: Zuko Alone

20. **One character in this episode says that Toph needs her feet checked and three characters wander off to explore the title place. In one scene, a character offers to be taken prisoner, but is denied. That same character is seen talking to a badger frog** while imitating their uncle and sister. The title place of this episode is revealed to be built on the underside of a cliff. Katara threatens Zuko

after the latter is welcomed to Team Avatar in this episode. For 10 points, name this episode in which Zuko joins Team Avatar and which takes place at the titular location.

Answer: **The Western Air Temple**

21. **This ability is first demonstrated in the episode “The Storm” with the user looking shocked after performing it. When performing this ability, the stomach is described as the “sea of chi.” This ability is described as “intense, exhilarating, and terrifying” by one of its users. Zuko successfully performs this ability against Ozai and later teaches it to Aang. Aang performs this ability while battling Ozai, but only aims for the sky rather than the Fire Lord. Zuko threatens to use this ability while dueling his sister. For 10 points, name this ability that Iroh developed after studying waterbending.**

Answer: **redirecting lightning** or **lightning redirection** (prompt on “lightning bending”)

22. **A large table for this activity can be found at the Western Air Temple. While doing this activity, one character uses airbending to cheat, but is found out later. In the series finale, Suki and Mai are shown playing this activity. Zuko’s crew go to a seedy pirate pier after Iroh loses an instrumental component of this game. Sokka receives a tile from this game when leaving Piandao’s castle. The Order of the White Lotus utilizes this activity to identify members of their group. For 10 points, name this activity that involves a two player board game.**

Answer: playing **Pai Sho** (accept descriptions as long as they contain “Pai Sho”)
