**THE LEGEND  
OF KORRA™**

**QUIZ BOWL  
TRASH PACKET**

**WRITTEN & EDITED BY  
JADE ANDERSON**

**(20 TOSSUPS AND 20 BONUSES)**

1. **This character learned a variant of Pai Sho from Shady Shin and one of their favorite restaurants is Narook's Seaweed Noodlery. In the series finale, this character officiated a wedding. This character blocked the chi of P'Li by striking her third eye with a pebble.** Along with Ghazan, this character is the only known non-Avatar character to be able to lavabend. For 10 points, name the earthbending brother of Mako.

Answer: **Bolin**

2. **In one scene in this episode, insistent knocking forces the title character to leave a bathroom. A white puppy stands in the middle of a road in this episode and in another scene, a character expresses excitement over having a pen pal.** One frame in this episode shows a broken mirror reflection of the title character with a blackened eye. The title character ventures around the world in order to find inner peace. For 10 points, name this episode which centers solely on the series' title character.

Answer: **Korra Alone**

3. **A character with this ability shot four arrows into an escaping airbender's glider. It's not spirit bending, but Avatar Korra became the first Avatar to be able to do this ability.** Another character with this ability is described as getting along "famously" with Avatar Aang. One character reveres the creator of this ability as their hero. The city Zaofu was built using this ability and the Republic City police force utilizes this ability to apprehend criminals. For 10 points, name this ability in which one can manipulate trace amounts of earth in a substance.

Answer: **metalbending**

4. **In this episode, a character angrily says "what good are you to me?" after Korra says she does not have money to pay for the food she ordered. Another character shouts "unhand me strange woman" and is then told that the "strange woman" is his grandmother.** Tenzin visits the Southern Water Tribe, but returns to the titular location the next day, hindering Korra's opportunity to learn airbending. Korra escapes the South Pole to the eponymous location and convinces Tenzin to let her stay in, for 10 points, what inaugural episode of the series?

Answer: **Welcome to Republic City**

5. **In one episode, this character remarks that Bolin's haircut makes him look stiff. This character is told "a soldier never apologizes to his enemy" while in a secret army. In this character's first appearance, he fabricates a story about the death of his parents.** In another episode, he helped some others escape from Ghazan's lavabending with his baby bison. Bolin refers to him as "little brother" and Jinora is shown to be romantically interested in this character. For 10 points, name this character, a mischievous young boy who is recruiting into the Air Nation.

Answer: **Kai**

**6. The meat of this animal is considered a rare delicacy in Ba Sing Se. One character wears a pelt of this animal and captures some of its babies to sell. One of these animals is named Juicy and has mucus running down its nose. Korra is given one of these animals by a shaman from the Bhanti tribe. In one episode, Ikki runs away and bonds with these animals, naming one of them Blueberry Spicehead. For 10 points, name this animal that responds to “yip yip” and one of which is named Oogie.**

Answer: sky bison (accept equivalents like flying, air, etc)

**7. In the episode, “Remembrances,” this character is described as a zombie by Varrick. When he was a child, this character was described as a “good natured kid,” but later became “cold and detached.” This character once captured Tenzin and his family and paraded them onstage to supporters. In the penultimate episode of Book 1, it is revealed this character is the brother of Tarrlok as well as a bloodbender. Besides the Avatar, this character is the only other known person to be able to remove one’s bending. For 10 points, name this leader of the Equalists.**

Answer: Amon or Noatok

**8. A character with this ability once expressed anger after another character mentioned his mother. Another character with this ability once told Korra that she didn’t have to embrace her role as the Avatar. Astral projection is shown to be a sub skill of this ability. Bumi is shown performing this ability after chasing Bum-Ju down a cliff and is shown again performing it after a plate is thrown at him. Jinora becomes the first person to master this ability after Tenzin. For 10 points, name this ability which Tenzin, his children and later Zaheer possess.**

Answer: airbending

**9. While being poisoned, Korra hallucinates the head of this character on the body of Ghazan. This character was a member of the Order of the Red Lotus, but disregarded their plans and sought his own. At the Glacier Spirits Festival, this character commented that the event had lost its relevance to spirits, but is then met with contempt from his brother. This character is the father of Desna and Eska as well as the uncle of Korra. For 10 points, name this character who was chief of the Water Tribes and who sought to connect the physical world with the spirit world.**

Answer: Unalaq

**10. Korra recites this name three times while being brought to the Bhanti Tribe Temple after washing up on their shore and a projection of Avatar Kuruk advises Korra to find this spirit. After separating two spirits, a character tells this spirit that it was bullying the other. This spirit is carried in a teapot as it gradually shrinks. When this spirit bonds with a human, that person can bend all four elements at once. For 10 points, name this spirit of light and peace which is merged with the Avatar.**

Answer: Raava

11. **This ability is used by the same character in every season finale. It is first seen in the episode “The Revelation” with several young men displaying this ability. In that same episode, a character is shown performing this ability powerfully at first, but it gradually gets weaker. Mako is able to fling an antagonist across the room with this ability despite being controlled through bloodbending. This ability is utilized in Republic City power plants to provide electricity to the city. For 10 points, name this ability in which a firebender conjures an electric current.**

Answer: lightning generation (accept equivalents)

12. **This character’s favorite dish, raw vegi-wraps, was made for dinner before she departed. In the 5th episode of book 3, Bolin experiences an intimate moment with this character until Korra interrupts them. In that same episode, this character attempts to connect with her aunt, but is only met with aloofness. After her family was captured by Kuvira, this character devised a plan to rescue them with the help of her aunt and grandmother. For 10 points, name this daughter of Suyin who later becomes an airbender.**

Answer: Opal

13. **While recalling the past of the Avatar at the Fire Nation, Korra discovers that one of these events is occurring a couple weeks. After one instance of this event, a character closes the two entrances to the spirit world. The Avatar was created during one of these events. During this event, spiritual energy is amplified, a spiritual aura envelops the Earth, and the planets align. Vaatu frees himself from the Tree of Time during one of these events and almost destroys the Avatar spirit. For 10 points, name this event which happens every 10,000 years where the North and South spirit portals align.**

Answer: Harmonic Convergence

14. **Along with his wife, Buttercup this character was almost kidnapped while at an event in the pro bending arena. In one episode, this character once told Korra that she had lost her perspective due to her age, which she angrily rebuffed. In that same episode this character stated that Mako was a “man of the law.” This character also banished Korra from Republic City due to the “trouble” she was causing. When Kuvira’s forces threatened Republic City, this character surrendered to her. For 10 points, name this president of the United Republic of Nations.**

Answer: President Raiko

15. **A character with this name made their first appearance in the episode “Turning the Tides.” Another character with this name advised others not to wander too deep into the spirit world or they’ll end up in a place only the lost could find them. A person named this hung from a statue to save themselves and then thanked the person who the statue was modeled after. A character with this name organizes a tea party for May-Jim’s wedding. In another episode, that character told Korra to seek advice from his nephew. For 10 points, what is the name shared by Zuko’s uncle and grandson?**

Answer: Iroh

16. **In this episode, we learn that Varrick's full name is in fact Iknik Blackstone Varrick. One character in this episode says that "a good evacuation is its own reward" and then abdicates their royal throne. Another character aims a spirit cannon directly at Korra, and fires it, but is unable to control the power. In this episode, Korra creates a third spirit portal and Kuvira surrenders after Korra and her return from the spirit world. The final scene is Korra and Asami walking hand in hand into the spirit world in, for 10 points, what episode?**

Answer: **The Last Stand** (accept **series finale** or **book 4 finale**)

17. **In one scene, a character does this action after the camera focuses on her teary eyes. When acting as Nuktuk, Bolin does this action, only to be told that it wasn't in the script. The penultimate scene of the Book 1 finale shows this action before the camera tilts up. Much to Bolin's dismay, Korra does this particular action after finding out Mako has romantic feelings for her. For 10 points, name this romantic action between two people which the series never shows Korra and Asami doing.**

Answer: **kissing** (accept equivalents like **kiss**, **kisses**, **smooching**, etc.)

18. **One character in this episode is asked what he is smiling about to which he responds that he was remembering the last time he fought Bolin. In one scene in this episode, several hostages ask to relieve themselves and another asks for water. Mako is lured into a cave of water, but then electrifies it, killing his attacker Ming-Hua. The final scene of this episode reveals Jinora's new tattoos while Korra sheds a single tear at the sight. For 10 points, Zaheer battles Korra while the latter is forced into the Avatar State in what episode?**

Answer: **Venom of the Red Lotus** (accept **Book 3 finale**)

19. **When first meeting Korra, this character said they were "expecting great things" from her. In the Avatar world, this character is credited to inventing the airplane as well as creating a viable model of automobiles which are named for him. This character founded Future Industries and later remarked that the greatest thing he ever created was his daughter. Lin Beifong temporarily released this character from prison to help the fight against Kuvira. In one episode, he cuts through Kuvira's mecha suit and sacrifices his life. For 10 points, name this father of Asami Sato.**

Answer: **Hirsohi** Sato

20. **The first appearance of this ability is in the episode "The Spirit of Competition" after a character is hit with an earth disc. One character with this unique ability battled against a man with the name Yorru, but he was later revealed to be Zaheer. This ability can be used to keep someone alive while their soul is trapped in the spirit world. After being poisoned, Korra goes to Katara for the latter's renown skill in this ability. For 10 points, name this sub skill of water bending which can relieve pain and help remedy wounds.**

Answer: **healing** (do not accept or prompt on water bending before it is read)
